

The image shows the interior of a modern art gallery or restaurant. The space is dimly lit with warm, orange-toned lights. The floor is made of light-colored wood in a herringbone pattern. In the center, there is a white square frame containing the number '699'. To the right, there is a long, dark bar with several stools. In the background, there are arched alcoves with shelves displaying various art objects. The overall atmosphere is sophisticated and artistic.

Gallery Dinners

We would be delighted to welcome you and your colleagues for **exclusive private gallery dinners** in a unique setting, surrounded by rotating art collections. An evening where art, gastronomy, and atmosphere come together in a carefully orchestrated experience. In collaboration with talented local chefs, we create fully tailored dinners for groups of **10–30 guests**. From refined vegan and vegetarian menus to fish and meat-lover experiences, every culinary concept is adapted to the wishes of the group. Each course is accompanied by a perfectly balanced wine pairing, designed to elevate both the flavors and the evening.

Optional

A live music performance to open or accompany the evening, such as a harpist or pianist to subtly enhance the atmosphere.

Exclusively for groups

Gallery dinners are organized exclusively for groups of 20 to a maximum of 30 guests.

Curated Wine Tasting

An invitation to spend an evening in the role of a sommelier. At De Kunstfabriek, we present a carefully curated selection of distinctive wines from regions including Portugal, Italy, Georgia, Germany, and Spain. Guided by a professional host, each wine is presented through storytelling; from origin and grape variety to character and terroir. Every wine carries its own story, inviting guests to discover, compare, and discuss. This tasting is designed as a shared experience where flavor, knowledge, and conversation come together. An elegant and accessible way to taste, learn, and enjoy together in an inspiring setting.

Program Details

- Capacity: 10–30 guests
- Duration: 60–90 minutes (with the option to continue with drinks afterwards)

From €49,- per person

Package A — Wine Discovery (€49 p.p.)

- 3 tasting glasses of wine (½ glass per wine), with a selection including orange, white, pétillant naturel, rosé, or red.
- A curated cheese board by Kaas aan de Maas.

An accessible introduction to distinctive wines, perfect for a relaxed and flavorful tasting experience.

Package B — Wine Experience (€89 p.p.)

- 6 tasting glasses of wine (½ glass per wine), featuring a selection including orange, white, pétillant naturel, rosé, and red.
- Oven-baked brie with bread from Pannini, or a mix of homemade pizza slices.
- Selection of dried sausages.

A more extensive tasting where different wine styles are paired with savory bites, inviting guests to discover and discuss together.

Curated Cocktail Workshops

A stylish and interactive cocktail experience where guests are introduced to the world of premium spirits and modern mixology. Under professional guidance, participants explore both classic cocktails and refreshing, more experimental creations. Guests learn the fundamentals of cocktail theory, techniques, and flavor balance — before stepping behind the bar themselves to craft their own cocktails.

Programma Details

- Capacity: minimum 15 – maximum 25 gasten
- Duration: 2,5 uur
- Cocktails & Bites

Welcome & Introduction — 30 min

A welcome cocktail, the first round of snacks, and a short introduction to cocktail history, ingredients, and techniques.

Workshop — 60 min

Guided by the bartender, guests create their own cocktails using premium spirits while snacks are served.

Social Experience — 60 min

The evening concludes with a signature cocktail from the bar and a final round of bites. A relaxed moment to connect, unwind, and enjoy.

Paint & Sip / Clay & Sip

At De Kunstfabriek, we host exclusive private Paint & Sip events for companies in an inspiring gallery setting. In a relaxed and creative atmosphere, teams work on their own artwork while surrounded by rotating art collections. During this three-hour experience, our in-house specialists guide guests step by step in creating a painting. We provide the canvas, paints, and all materials — guests simply bring their creativity. In addition to painting, guests also have the option to work with clay, creating organic bowls, candle holders, or small sculptures.

Program Details

With a maximum of 22 guests per time slot, the setting remains personal and engaging. The experience includes a selection of bites and two drinks of choice (cocktails, natural wines, and NOAM beer). The musical atmosphere can be curated with:

- Live music
- A DJ
- Or a curated playlist

Capacity: minimum 15 – maximum 22 guests

Duration: 3 hours

From €85,- per person

Private Corporate Party

De Kunstfabriek offers a unique gallery setting for exclusive corporate receptions and celebrations with full-service hosting. Our space accommodates events of up to approximately 200 guests, where art, gastronomy, and music come together in a stylish and characterful environment.
