

# NETVIO

SIMPLIFYING COMPLEXITY

## IP-JP4-RK 19" Universal, 6U, 10 Device Rack

- Universal rack mount for all Netvio AVoIP devices.
- No filler adaptor plates for cleaner rack appearance.
- 6U rack efficiency.
- Any combination of 10 devices across range.

### 10 DEVICES

#### LINE THEM UP

Mount up to 10 devices.

Space saving, and provides the correct spacing to achieve airflow specifications keeping your AVoIP system fit & healthy.

### 6U

#### RACK EFFICIENCY

Rack space is premium real estate, so mounting up to 10 devices within a footprint of just 6U maximises efficiency and budgets.

### UNIVERSAL

#### FITS ALL DEVICES

All Netvio AVoIP devices use the same chassis footprint regardless of function or technology. Rack kit comes complete with all accessories.
