# Kai Madden

## About Me

Born in Okinawa but raised in Sparks, with over 2 years of freelance designing the mix between eastern and western design shines through. This is even more apparent coming to the blend of Ukiyo-e illustrations with design.

## Employment

### Freelance Graphic Designer

August 2023 - Current

- Worked independently and collaboratively with groups working and focusing mainly on brand identity, illustration work, and other asset generation.

### Safeway - Dot Com Shopper

February, 2024 - Current,

- Worked as a Dot Com Shopper and partially in other departments. Learned excellent time management skills and maintained good customer service relations with all customers.
