Genuinity of the question being asked?

As the Moon appears in 6th and star lord Saturn appears in 5th, 6th, 11th and 12th cuspal positions, the genuinity of the question *is confirmed*. To assess the possibilities of full recovery, the promises of 1st, 6th, 8th and 11th SSL are analysed based on Cuspal Interlink theory. As the question is about querist's friend, the chart is rotated to make 11th house as the ascendant.

Conclusion

I am sad to say that no possibilities for a complete recovery could be seen in this analysis.

Approximately for one year since March 2021, she may experience some improvements as there are some promising astrological aspects. But after that her health may deteriorate.
