Before We Meet

Get the Most Out of Your Space With a Few Minutes of Preparation

Bring It In

- **Hanging Items:** Organize clothes by type and length—long dresses, short dresses, tops, and pants. In shared closets, keep each person's clothing grouped separately.
- **Seasonal Storage:** Bring back any coats or other off-season apparel that may have migrated out of your closet
- **Shoes:** Show off your collection and have your favorites front and center
- **Accessories & Other Items:** Display any other notable items such as handbags, luggage, safe, belts, ties, scarves, jewelry, hats, etc.
