

TREASURE MAP

"Behold, how good and how pleasant it is for brethren to dwell together in unity!" Psalm 133:1

Jasper's Treasure Stop

What Happened:

Jasper needed to cross a wide-open plain, but there was nowhere to hide from danger. When he asked God for wisdom, God showed him a Kingdom treasure: **UNITY**.

Jasper searched everywhere for unity until he met Jomo the Zebra. Jomo showed Jasper that unity wasn't something hidden under a rock or in a tree.

Unity was found in standing together.

Treasure Clue: God gives us each other. We are stronger when we stand together in unity.

Activity Idea — Stand Together!

Find a friend or family member and stand side by side. While standing side by side tie your legs together with a rope and try to walk from one end of the room to the next.

Nature Nugget: Zebra Stripes

Did you know that every zebra has its own unique stripe pattern? Just like fingerprints are different from person to person, no two zebras have exactly the same stripes.

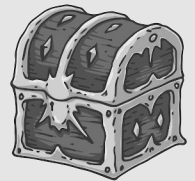

God created every zebra uniquely!

Different — But Together

When zebras gather in a herd, all their black-and-white stripes appear together. Their stripes can make it harder for a predator to focus on one individual zebra—especially when the herd is moving.

Kingdom Connection:

God made each of us unique too. We may have different personalities, talents and gifts, but our differences don't have to separate us. God can bring our differences together in unity.

MADE TO MOVE TOGETHER

6

A zebra living alone is more vulnerable than a zebra surrounded by its herd. Zebras stay together, watch for danger and respond as a group. There is strength in being together!

Jasper discovered something important:

Unity doesn't mean that everyone has to be the same. Every zebra still has its own stripes. In the same way, God has made each of us special and unique.

Unity means we choose to:

Love one another.
Help one another.
Encourage one another.
Walk together.
Stand together.

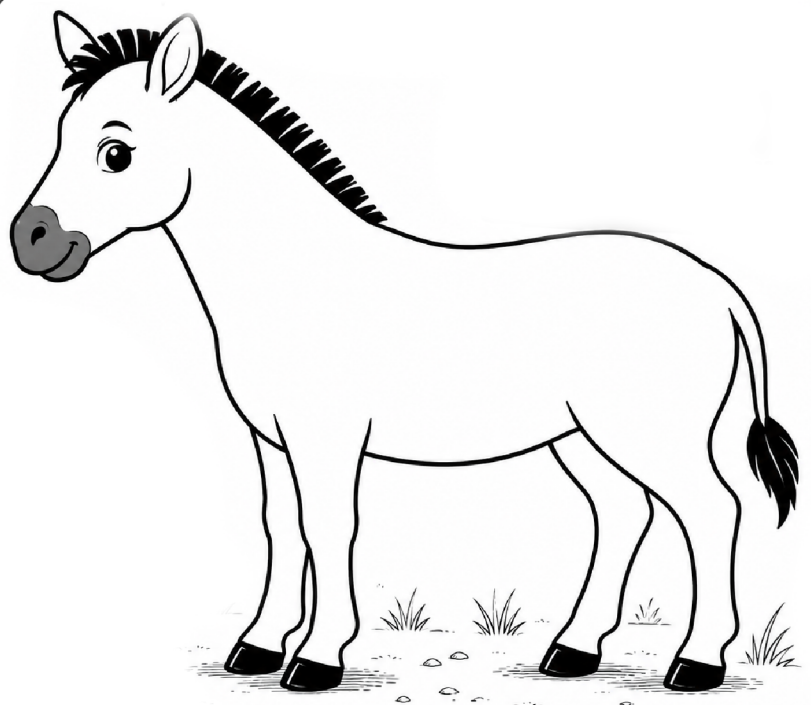

The devil is very afraid of unity. That is why he wants us to mock and make fun of each others differences. But if we do not stand together in what God calles us to do. The devil will be able to hurt our lives.

Design Your Own Zebra Stripes

Draw your own unique stripe pattern on a zebra.

Remember: You don't need someone else's stripes. God made you unique!

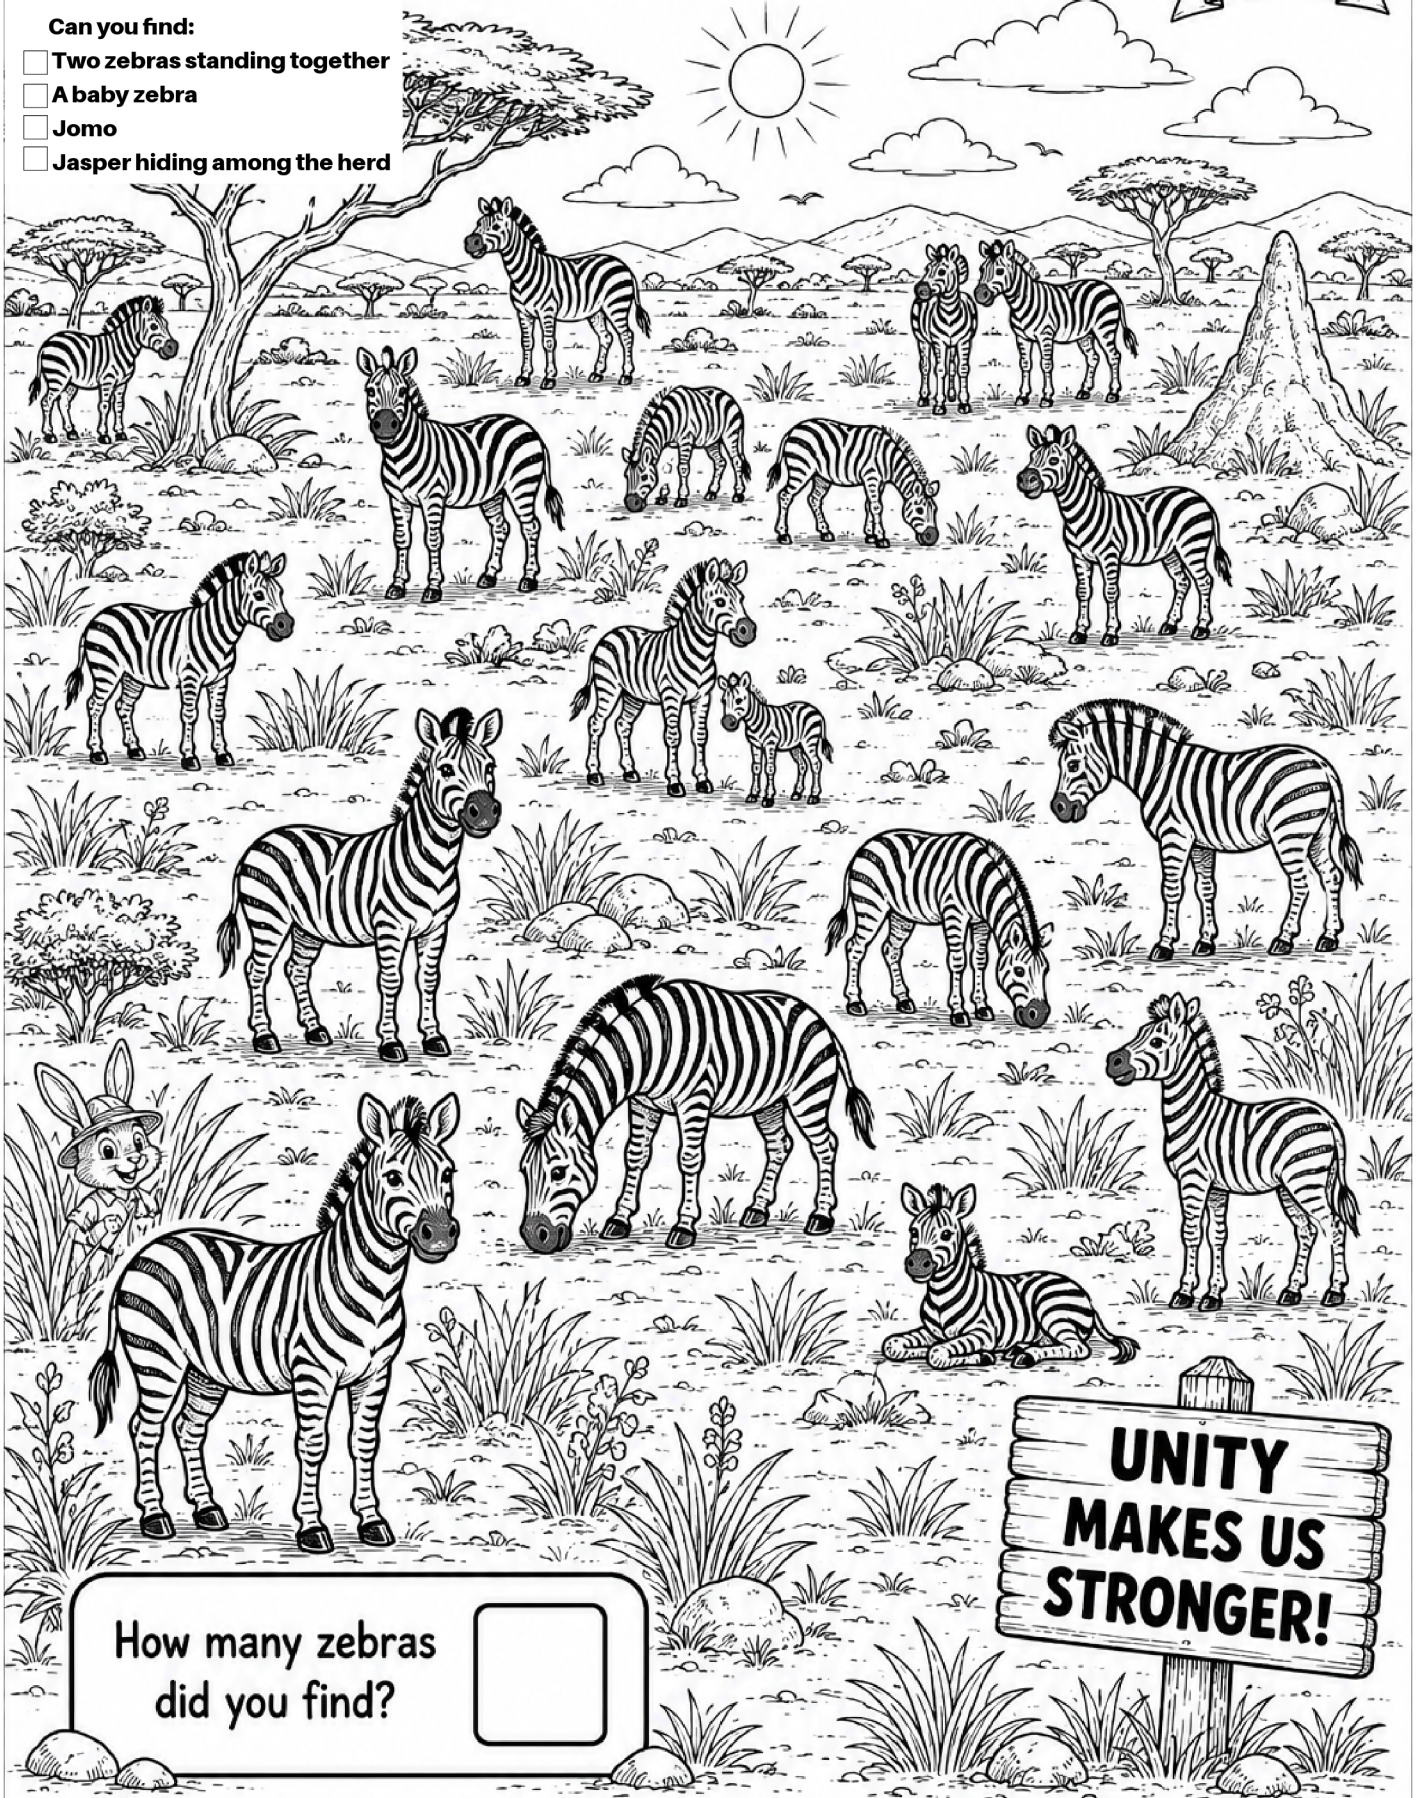

SPOTTING CHALLENGE

Circle every zebra.
Count how many zebras you can find.

Can you find:

- ☐ Two zebras standing together
- ☐ A baby zebra
- ☐ Jomo
- ☐ Jasper hiding among the herd

How many zebras
did you find?

**UNITY
MAKES US
STRONGER!**

Psalm 133:1 says: "Behold, how good and how pleasant it is for brethren to dwell together in unity!"

Unity teaches us:

To love one another.

To help one another.

To encourage one another.

To stand together.

To celebrate our differences.

To remember that we don't have to face life alone.

Jasper's Treasure Truth

You don't have to face life alone. God gives us each other.

When we walk together in unity, our differences can become part of our strength.

Just like Jomo and the zebra herd... **We are stronger together!**
