

WELCOME TO

Auchinbee Nursery & After School Care

At Auchinbee, we've created a space where children feel safe, happy, and excited to learn. Our caring team supports each child's curiosity, confidence, and creativity through a mix of play, fun experiences, and plenty of outdoor adventures. Learning isn't limited to inside the nursery - we often head out on local trips that explore children's interests, bringing learning to life in new ways. Parents get regular updates from the team caring for their child, so you're always in the loop and reassured.

We're ideally located just off the M80 and M73, making us a great choice for families travelling to and from Glasgow, Stirling, Falkirk, and nearby towns. We're also close to both Croy & Cumbernauld Train Station and handy bus routes, perfect for parents on the go.

Our bright, purpose-converted nursery offers high-quality childcare for children from birth right up to 5 years old, and an out-of-school-care for children up to primary 7, with fun and engaging spaces indoors and out. We're open Monday to Friday, 7:30 am to 6:00 pm, 50 weeks a year - offering the flexibility families need.

Auchinbee isn't just a nursery or an out-of-school-care, it's a place where children are truly supported to grow, explore, and shine in their own unique way.

OUR MISSION

A Safe & Nurturing Environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure, and eager to learn. We focus on nurturing independence, curiosity, and social skills while embracing each child's unique background.

We work closely with our parents and carers, to ensure a smooth journey throughout Auchinbee life, creating positive experiences that support every stage of development.

At Auchinbee, our activities are thoughtfully designed to spark curiosity and imagination while supporting children's learning and development. Beyond the experiences offered within the nursery, children enjoy regular local outings, festive celebrations, and family events. In their final year, we celebrate their journey with a special graduation ceremony as they get ready for the next stage of their education.

First class childcare provision with a varied timetable of indoor and out activities and trips. The staff are fun, friendly, approachable and knowledgeable. My little one has really blossomed and grown in confidence since attending the summer holiday club. I can't recommend Auchinbee enough. 5*

Our Team Staff

Our team at Auchinbee is made up of qualified early years professionals and enthusiastic modern apprentices who are working towards their childcare qualifications. Every team member brings passion, knowledge, and experience to create a nurturing environment where children learn through play and exploration.

We're committed to maintaining the highest standards of care, which is why all staff take part in regular training and ongoing professional development. Everyone employed follows our safer recruitment process, including thorough background checks through the Disclosure Scotland PVG Scheme. Each playroom is led by an experienced senior staff member, ensuring consistency, safety, and strong leadership throughout Auchinbee.

Qualified & Skilled Staff

Our staff hold recognised childcare qualifications and undergo continuous training. All qualified staff hold Paediatric First Aid Certificates.

Individualised Support

Each child is supported in their learning journey with patience, care, and tailored guidance to help them reach their full potential.

Our Manager

Christina
Nursery Manager

Hi, I'm Christina Saville, and I've proudly been part of the Auchinbee family since 2019.

With over 20 years of experience in the early years sector, I'm passionate about high-quality childcare and committed to supporting children, families, and staff. I've held various leadership roles, which have helped me guide our team in delivering the best outcomes for children.

I hold an NC and HNC in Childcare and Education, an SVQ Level 4 in Children's Care, Learning and Development, and a BA in Childhood Practice. These qualifications have given me both practical and theoretical knowledge to create nurturing, engaging environments where children thrive.

What I love most about my role is being part of each child's journey. It's a real privilege to watch them grow, build confidence, and learn through play and exploration.

Outside of nursery life, I enjoy spending time with my family and our three much-loved dogs. I'm proud of the team at Auchinbee and look forward to welcoming you and your child into our community.

I Highly recommend Auchinbee Nursery, since my son joined last year he has come so far, his speech, communication and manners have flourished. The staff are so welcoming and friendly, they always keep me updated with what my son has done and any activities they did. Cannot recommend enough for any parent wanting a nurturing environment for their child.

★★★★★
John Baker (Father of Child)

We couldn't be happier with our choice of nursery. The staff are so friendly and approachable, and they really took the time to get to know our child. It made the whole settling-in process feel calm and reassuring. We love how well they communicate with us—whether it's updates about meals, activities, or just how the day went. The atmosphere is warm and welcoming, and it's clear the children are genuinely cared for.

Settling In & Play

Free Settling In Sessions:

At Auchinbee we understand that every child is unique and starting nursery is a big transition not only for the child but also for the parents and carers. Every child is assigned a dedicated keyworker who will be your first point of contact keeping you informed and involved in your child's progress, our settling in schedules are designed to ensure every child and family has the opportunity to build secure attachments and connections with their keyworker.

We will spend time with the child and with the parents/carers to begin to learn as much about the child and family as possible ahead of the nursery settling in sessions. This gives our parents the opportunity to share any relevant information, complete the child's personal plan and ask any questions. The settling-in schedule will then progress to sessions within the playroom, the parent or carer can settle their child and then return a short time later. This is designed to last for two weeks before your child's start date, ensuring they feel safe, comfortable, and confident.

Outdoor Play & Learning:

Outdoor learning is an integral part of our daily routine, offering children a multi-sensory, engaging environment to explore, play, and connect with the world around them. It provides a refreshing change from indoor settings, supporting different learning styles and encouraging curiosity.

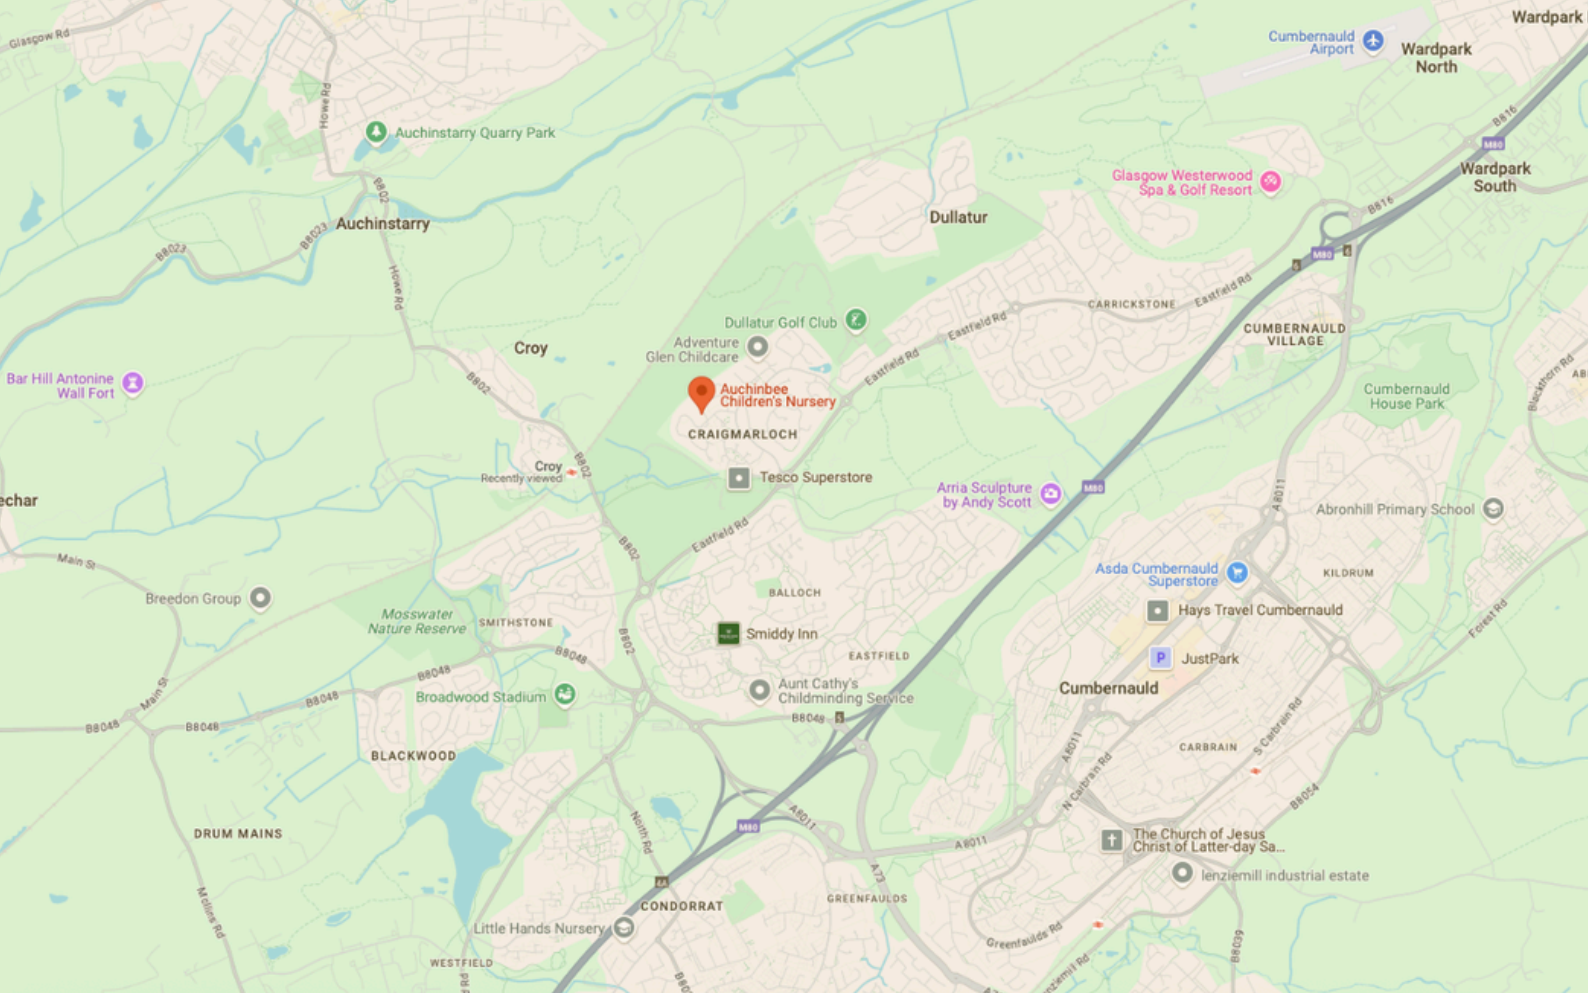

Nutrition and Food:

We provide freshly prepared, balanced meals cooked in-house by our dedicated chef. Following 'Setting the Table' Nutritional Guidance, we ensure all meals meet early years food standards in Scotland. Menus are and tailored based on child and parent feedback, accommodating allergy and dietary requirements. Mealtimes are a social experience, encouraging children to interact, make choices, and develop independence in feeding themselves.

Other Experiences:

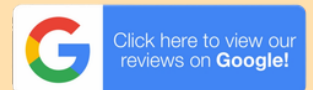

Beyond our daily experiences, children enjoy regular outings, festival celebrations, and family days, helping them connect with their community. In their final year, we celebrate their journey with a special graduation, marking their transition to the next stage of education with pride and excitement!

Follow Us:

Auchinbee is securely monitored by a CCTV surveillance system. The Nursery Manager and the Director are responsible for the operation of the system which is only accessible from within the nursery for ensuring compliance within this policy.

The system has been installed by the nursery with the primary purpose of monitoring and ensuring the safety of all the users, staff, children, parents and visitors, consistent with the respect for the individual's privacy. CCTV will also provide security to our building, deterring those who have criminal intent.

The system will not be used to provide images for the world-wide-web or record any sound.
