

Red light

Why Red Light?

Red Light began in Manchester's Gay Village and has now relocated to the Northern Quarter. Our name draws on Canal Street's hidden queer history, where gay men met in secrecy during the 1950s, when homosexuality was criminalised. We carry that heritage with us, celebrating community and freedom. While our address has changed, the history behind our name remains part of who we are.

*Red Light is a cash free venue.
A discretionary service charge of 10% will be included on the bill.
Please inform your server if you have any allergies or dietary requirements.*
