

DE TIMMER KAMER

Sample Project Package

Mozaik design + production documentation

An anonymised example of the drawings, visual views and cutting information supplied to cabinet shops.

Kitchen cabinetry / Sample only - not for manufacture
Selected report pages. Retained data unchanged from the export.

Inside the package

An anonymised Mozaik sample, edited for easier review.
Sparse report pages are omitted; detailed lists, drawings
and cutting layouts are retained. This is not a full job pack.

01	Design views	3-11
	9 perspective and rendered views	

02	Layout + elevations	12-19
	1 room layout and 7 wall / island elevations	

03	Door + drawer sizes	20-23
	4 selected door, drawer-front and drawer-box lists	

04	Cabinet-part cut lists	24-40
	17 detailed pages of quantities, dimensions and materials	

05	Sheet-cutting layouts	41-55
	15 selected table-saw patterns with part references and yield	

Reading the sample

Source dimensions are in inches unless marked otherwise. Room,
cabinet and part numbers remain as in the original reports.

This PDF is a sample of documentation, not a CNC machining file.
