

DESIGN CRITIQUE

Keep the question, evidence and next decision connected. Use a fresh copy for another scenario or version.

WORK & VERSION

What exactly are we reviewing?

OBJECTIVE & SCOPE

What should it support, and what can change?

STRENGTH TO PRESERVE

Location, contribution to the goal and rationale.

CONCERN

Observation, expected consequence and evidence.

QUESTION

What can this conversation not resolve?

CONSTRAINT

Which requirement limits the available choices?

BELOW THE SURFACE

Keep the question, evidence and next decision connected. Use a fresh copy for another scenario or version.

DISAGREEMENT

Which interpretations conflict?

EVIDENCE NEEDED

What observation could change the judgement?

REVISE

What will change, and why?

TEST

Which question needs an observed task?

DEFER

What remains open, with what reason?

OWNER & REVIEW

Who follows up, and on which version?
