

# CA / MX Tariffs - Importer List

Powered by  Revenue Vessel

revenuevessel.com

## What is this list?

The Trump tariffs are here. That means shippers will be looking for new ways to move their freight and save money in the process. This list shows the top 50 Canada and Mexico cross-border shippers, the amount of their imports effected by the tariffs, and their top service provider. Please reach out to our team for the full CA / MX tariff lists.
