ABOUT

ADL Oro (*Oro Italian for gold*)

Introducing Oro, a typeface that fuses a playful, stylish attitude with a refined spirit—effortlessly bridging vintage charm and contemporary style. In a landscape where many fonts lean on uniform proportions and consistent stroke weights to achieve neutrality, Oro breaks away with blunt terminals, and expressive, exuberant details.

This distinctive character lends Oro an exotic, almost extravagant presence that immediately draws the eye. Designed to bring a touch of brilliance and flair to your creative work, Oro elevates every composition it touches—imbuing it with a golden luster and ensuring your designs leave a lasting impression.
