

Job Posting: Village Maintenance Worker /Water and Wastewater Operator

Employer: Village of Bradner, Ohio

Department: Public Works / Utilities

Employment Type: Full-Time

Compensation: \$28.00 - \$35.00 per hour

Benefits: Ohio Public Employees Retirement System (OPERS), paid time off, health insurance, and paid holidays.

Position Summary

The Village of Bradner is seeking a versatile, dependable individual to fill the dual role of **Village Maintenance Worker and Wastewater Operator**. This position is responsible for the daily operation and maintenance of the village wastewater treatment facility, collection systems, and general municipal infrastructure (streets, parks, and public properties). The ideal candidate is a hands-on problem solver who enjoys serving the community and working outdoors.

Essential Duties and Responsibilities

- **Wastewater Operations:** Operate, monitor, and maintain the village wastewater treatment plant and lift stations. Collect samples, perform basic laboratory testing, and maintain records to ensure strict compliance with Ohio EPA regulations.
- **Infrastructure Maintenance:** Repair and maintain village streets, sidewalks, storm sewers, and water/wastewater distribution lines.
- **Seasonal Operations:** Perform snow plowing, ice control, lawn mowing, leaf collection, and brush removal across all village properties and right-of-ways.
- **Equipment Operation:** Safely operate a variety of municipal vehicles and heavy equipment, including dump trucks, backhoes, tractors, mowers, and power tools.
- **Facility Maintenance:** Perform routine maintenance, cleaning, and repairs on village buildings, parks, and grounds.
- **Emergency Response:** Respond to after-hours emergencies, water breaks, sewer backups, and severe weather events as needed on a rotating on-call basis.

Minimum Qualifications

- **Education:** High School Diploma or equivalent (GED).
- **Driver's License:** Must possess a valid **Ohio Class B Commercial Driver's License (CDL)** with a clean driving record (or the ability to obtain one within [6] months of hire).
- **Certification:** Possession of an **Ohio EPA Class I Wastewater Operator certification** is highly preferred. **Ohio EPA Class 1 Water Supply certification**. Candidates with an Operator in Training (OIT) status or those capable of obtaining the license within [12-24] months of hire will be considered.
- **Physical Requirements:** Ability to lift up to 50–80 lbs regularly, work in confined spaces, climb ladders, and work outdoors in all weather conditions (extreme heat, cold, rain, snow).

- **Testing:** Must successfully pass a pre-employment background check, physical exam, and DOT-regulated drug and alcohol screening.

How to Apply

Interested candidates should submit a completed Village Employment Application and resume to:

In Person or Mail:
