THE CREEK

BY ANANTBAUG

Imagine entering a secluded haven where winding roads part from the main driveway, taking you across bridges that whisper over tranquil creeks. Here, each path feels like an invitation, a gateway into a world of serene landscapes that pull you away from the ordinary and into a retreat crafted just for you.

Bridges

Connecting The Urban and The Serene

A well-curated trail along the lake, traversing through the central green, is an experience of an oasis in the urban context. Overlooking the water, the trails take one along the bridges that connect to the private plots.

Scenic Pathways

Allowing You to Pedal into Paradise

A well-curated trail along the lake, traversing through the central green, is an experience of an oasis in the urban context. Overlooking the water, the trails take one along the bridges that connect to the private plots.

Lake-Like Creeks

Embracing Artful Landscapes

Nestled by a lake-like creek on both sides of the bridge, our landscape design is a masterpiece of tranquility. Nature and art unite in this oasis, where every vista is a testament to harmonious beauty.

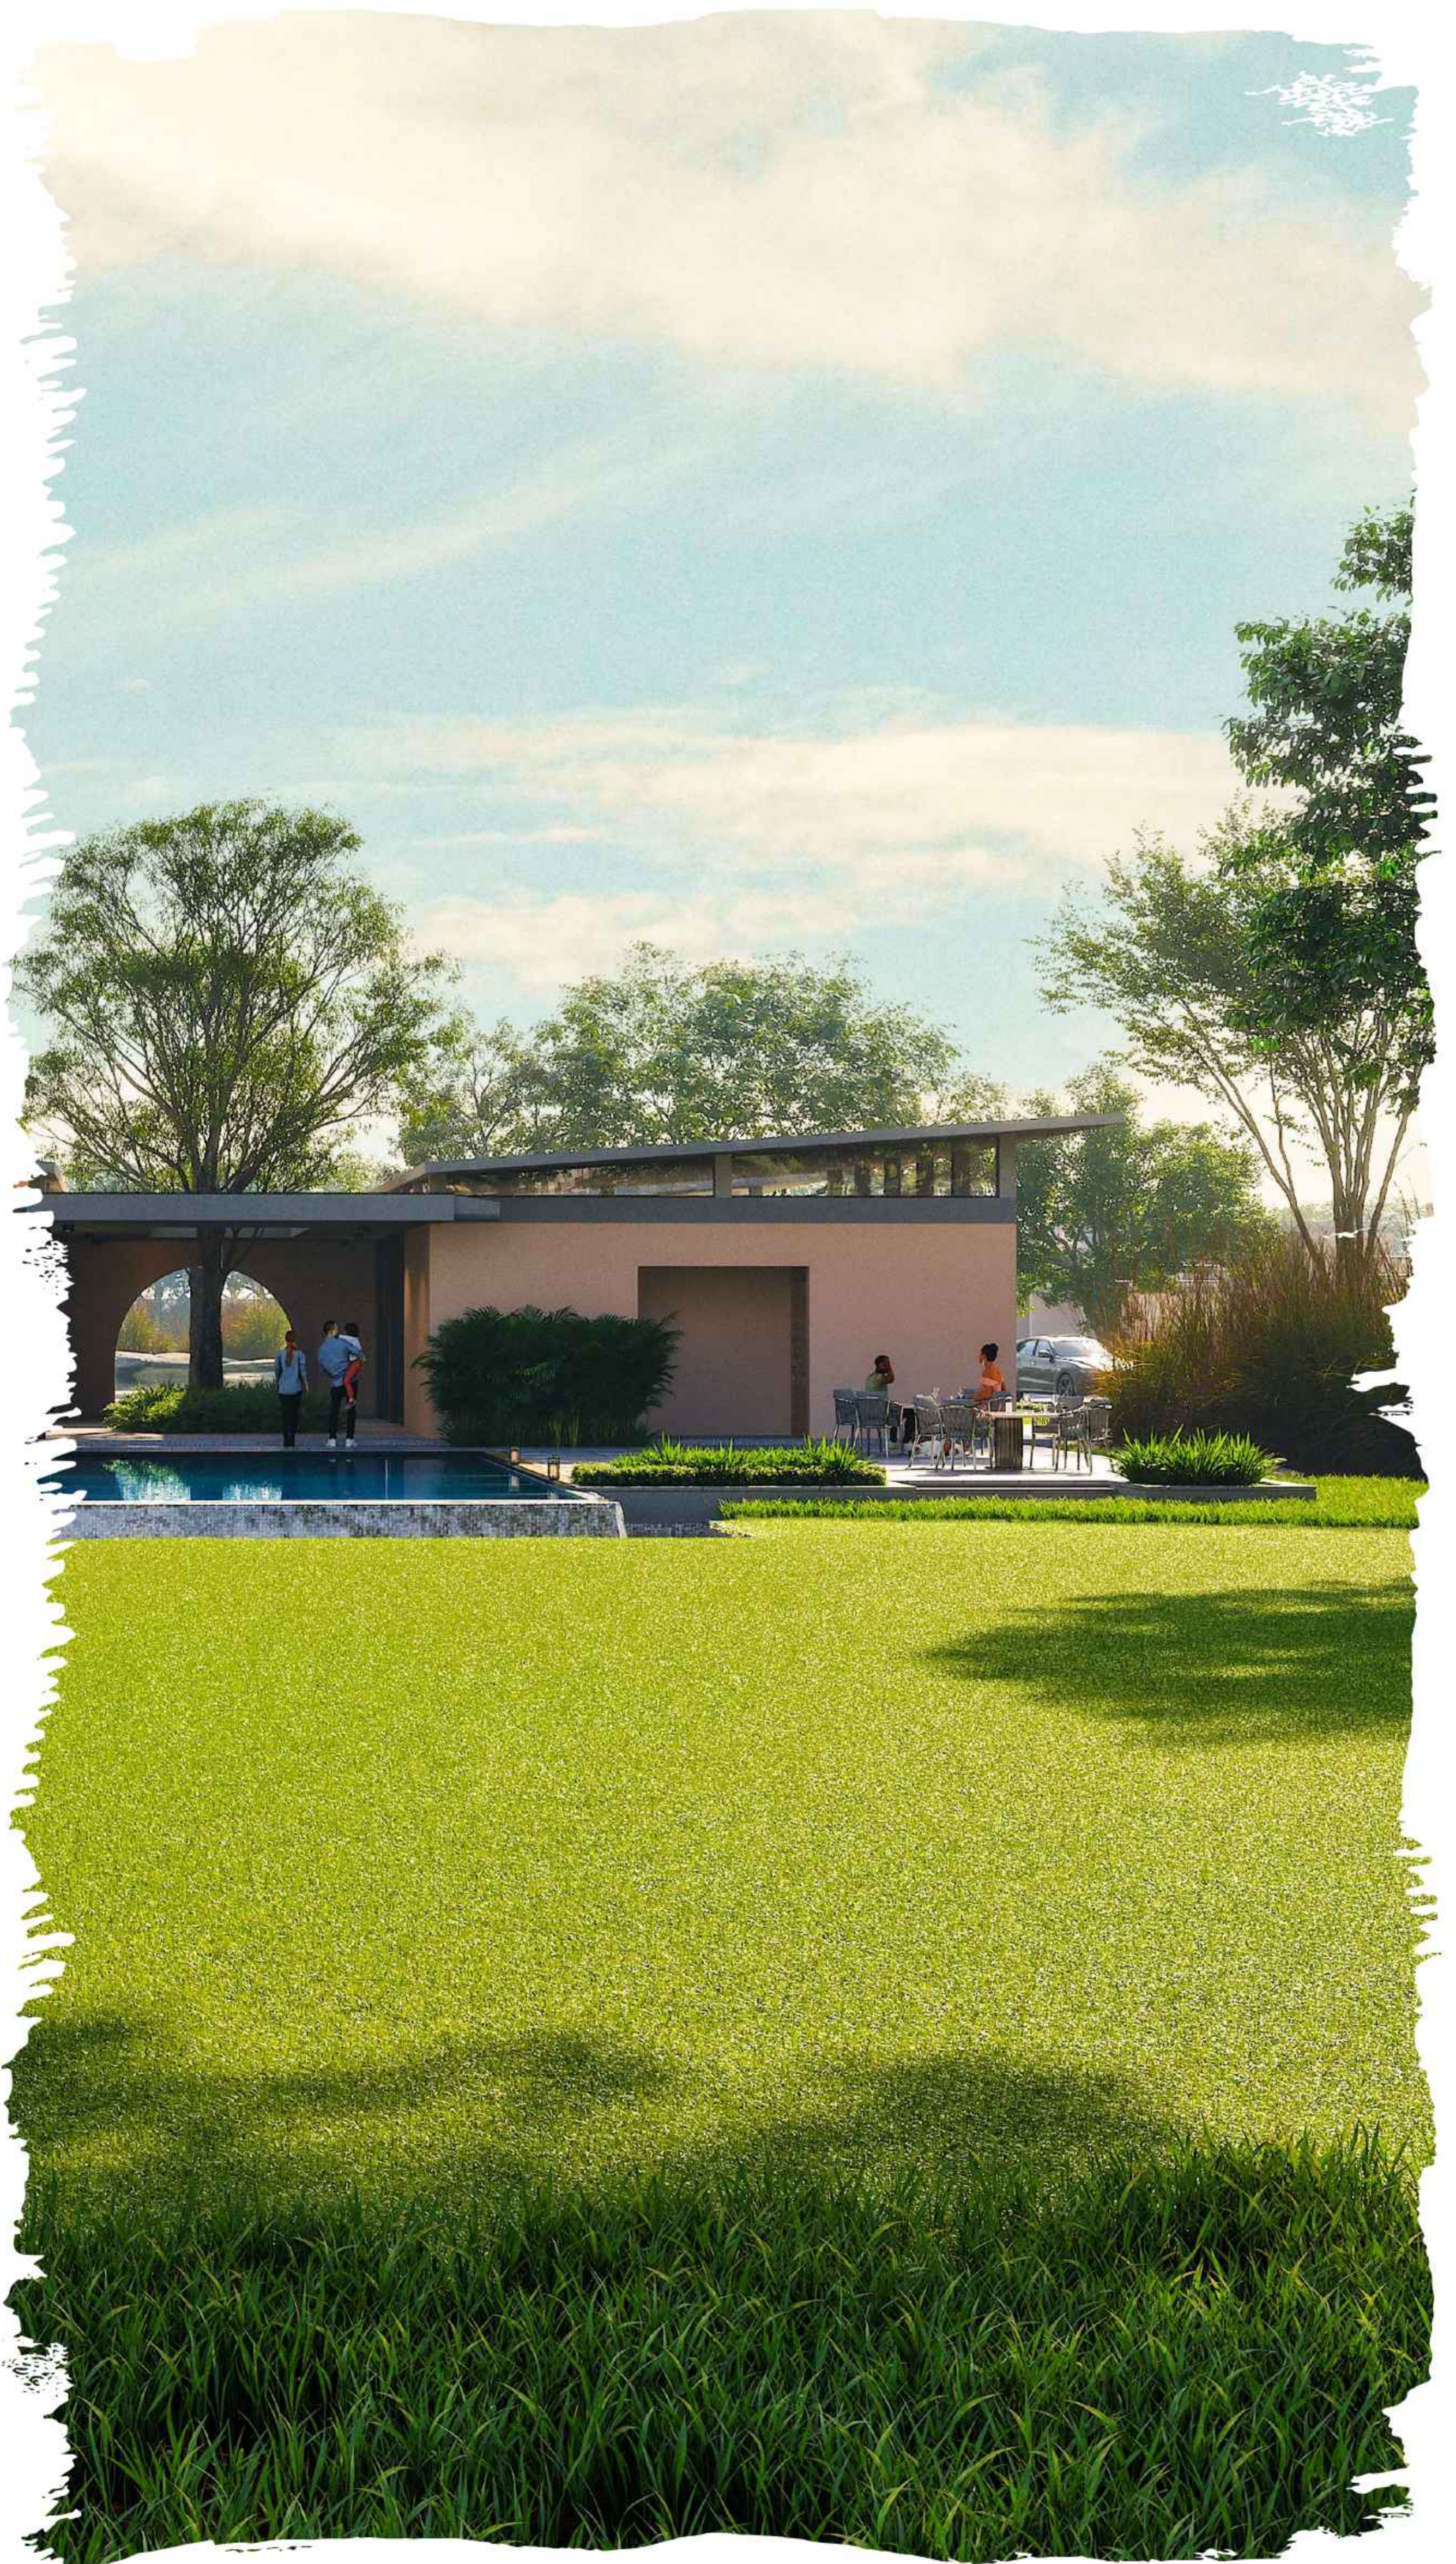

Wilderness

Leading to Nature's Hidden Gems

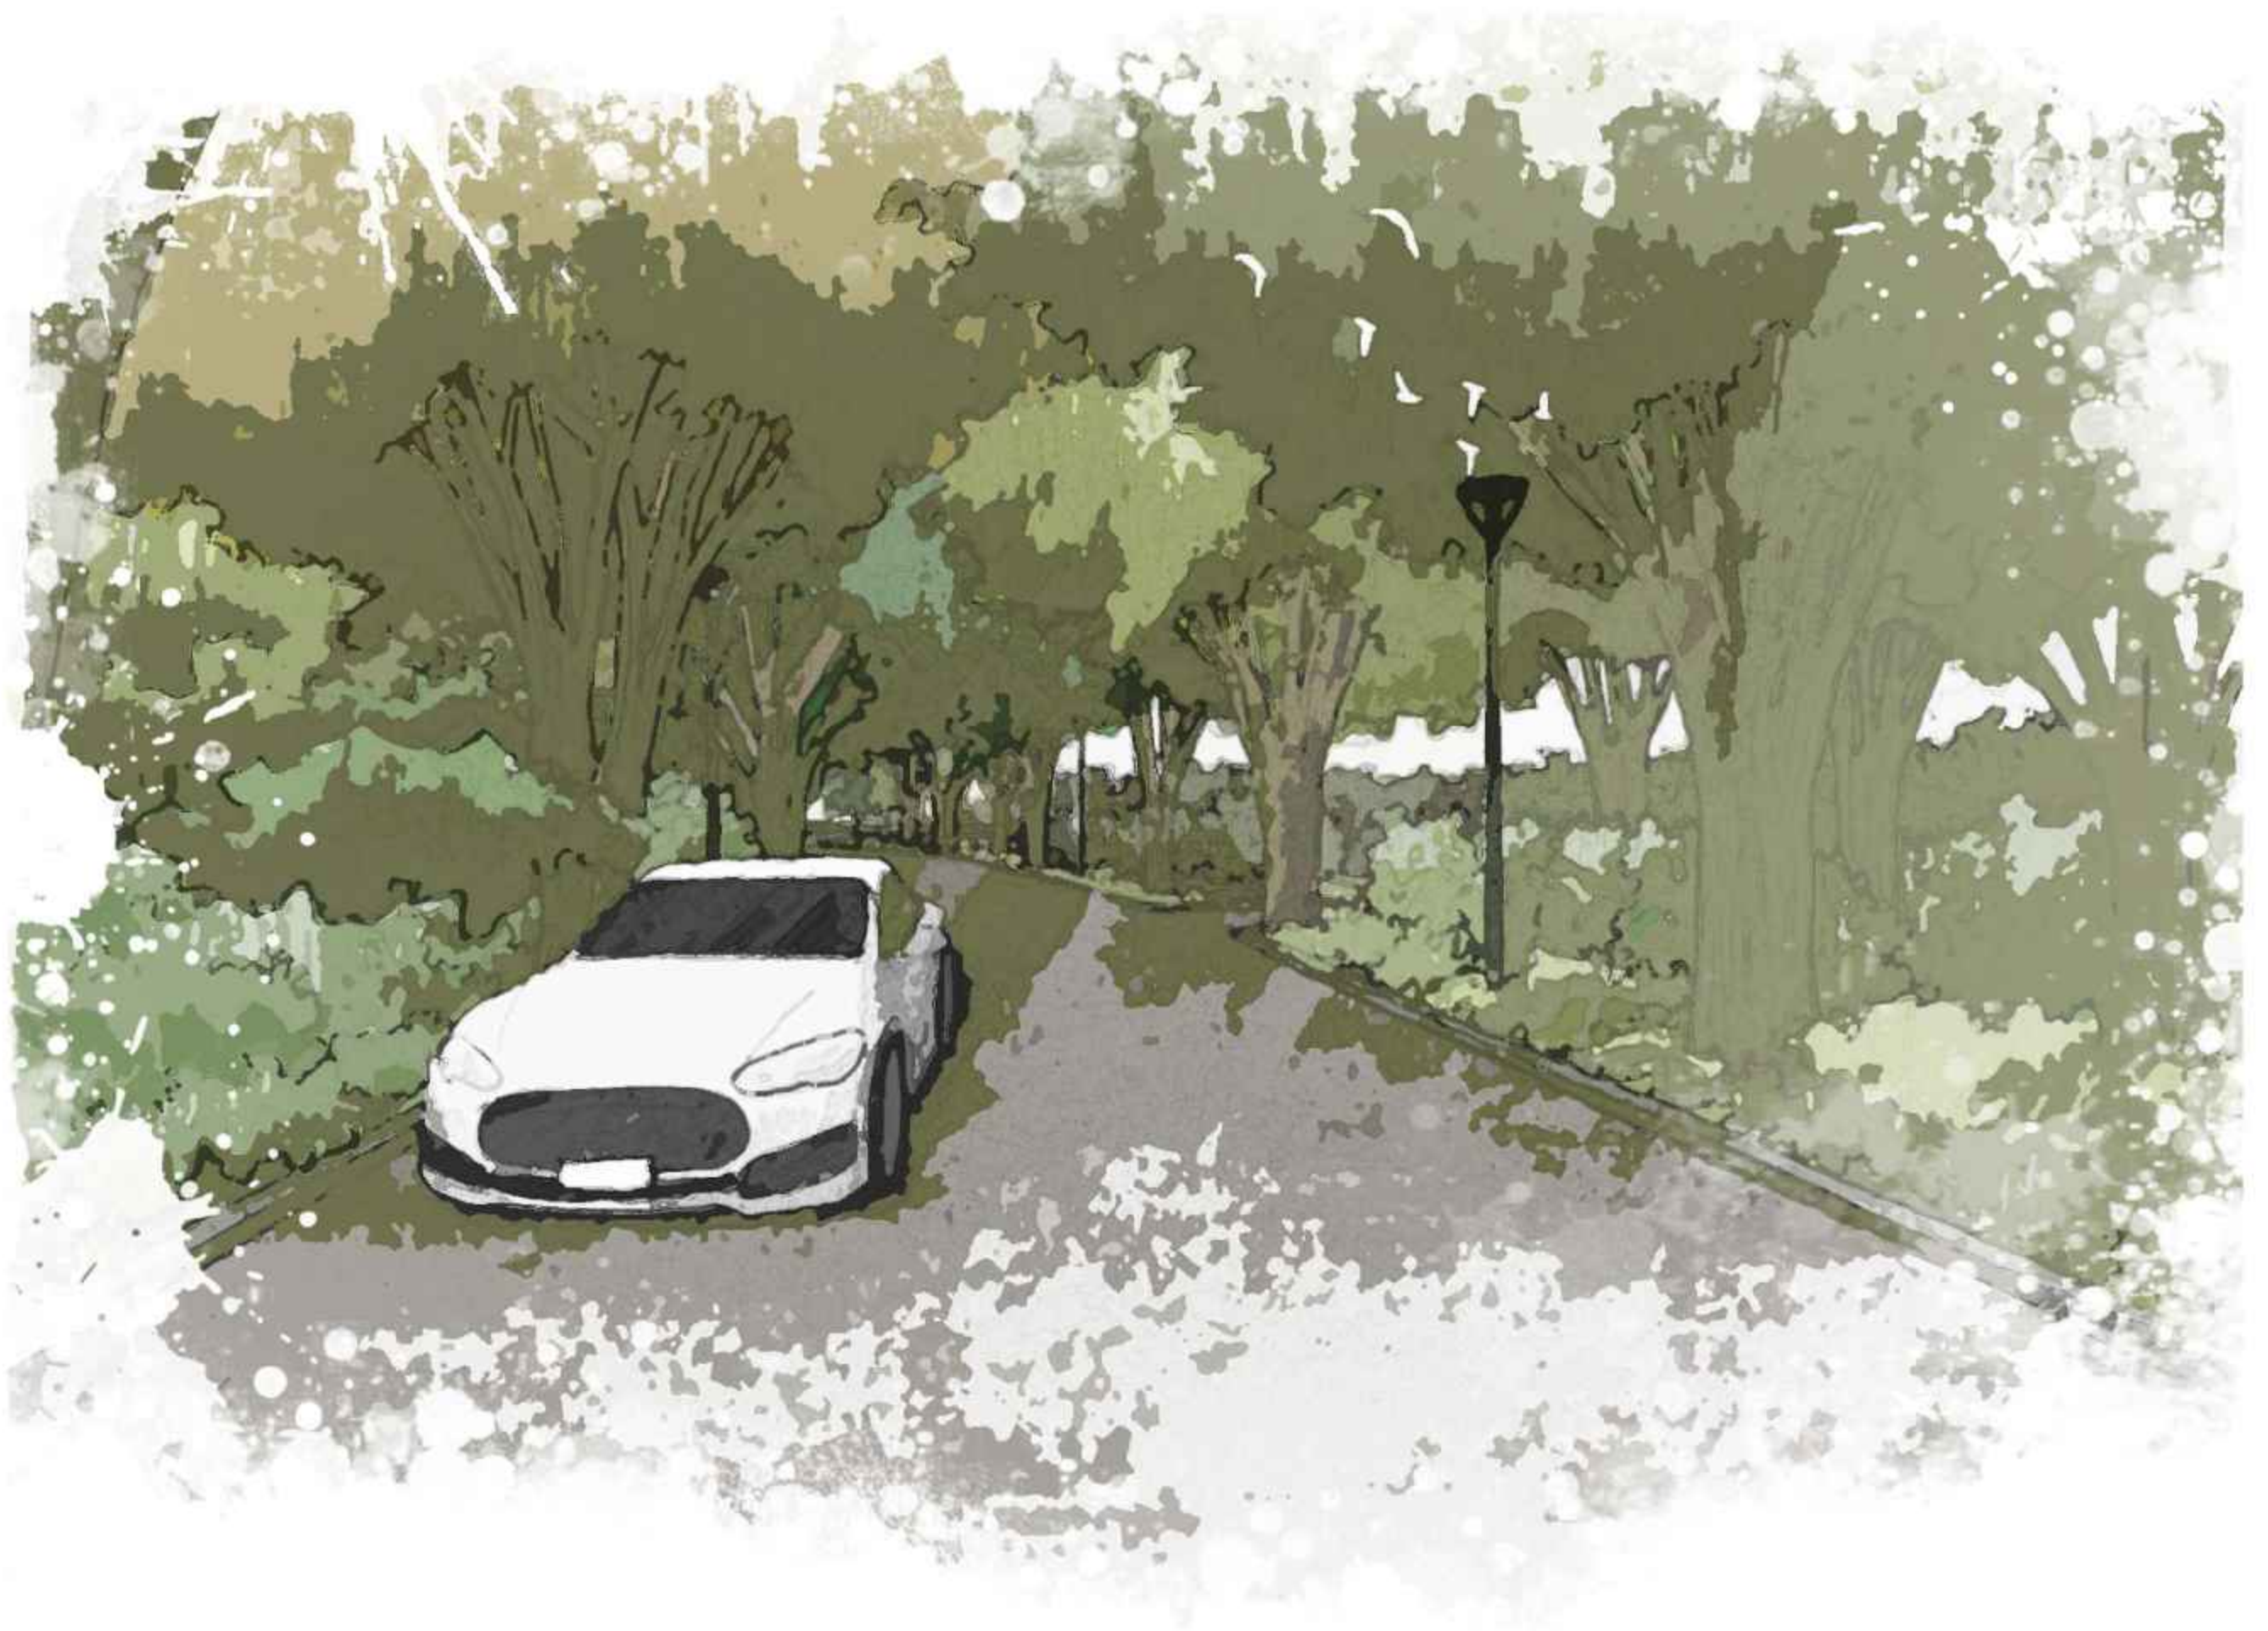

Discover nature's hidden beauty of these walking trails. This immersible experience invites you to embrace the wilderness. As dappled sunlight filters through leaves, winding pathways unveil serene pockets of flora, creating a harmonious blend of human artistry and mother nature's splendor.

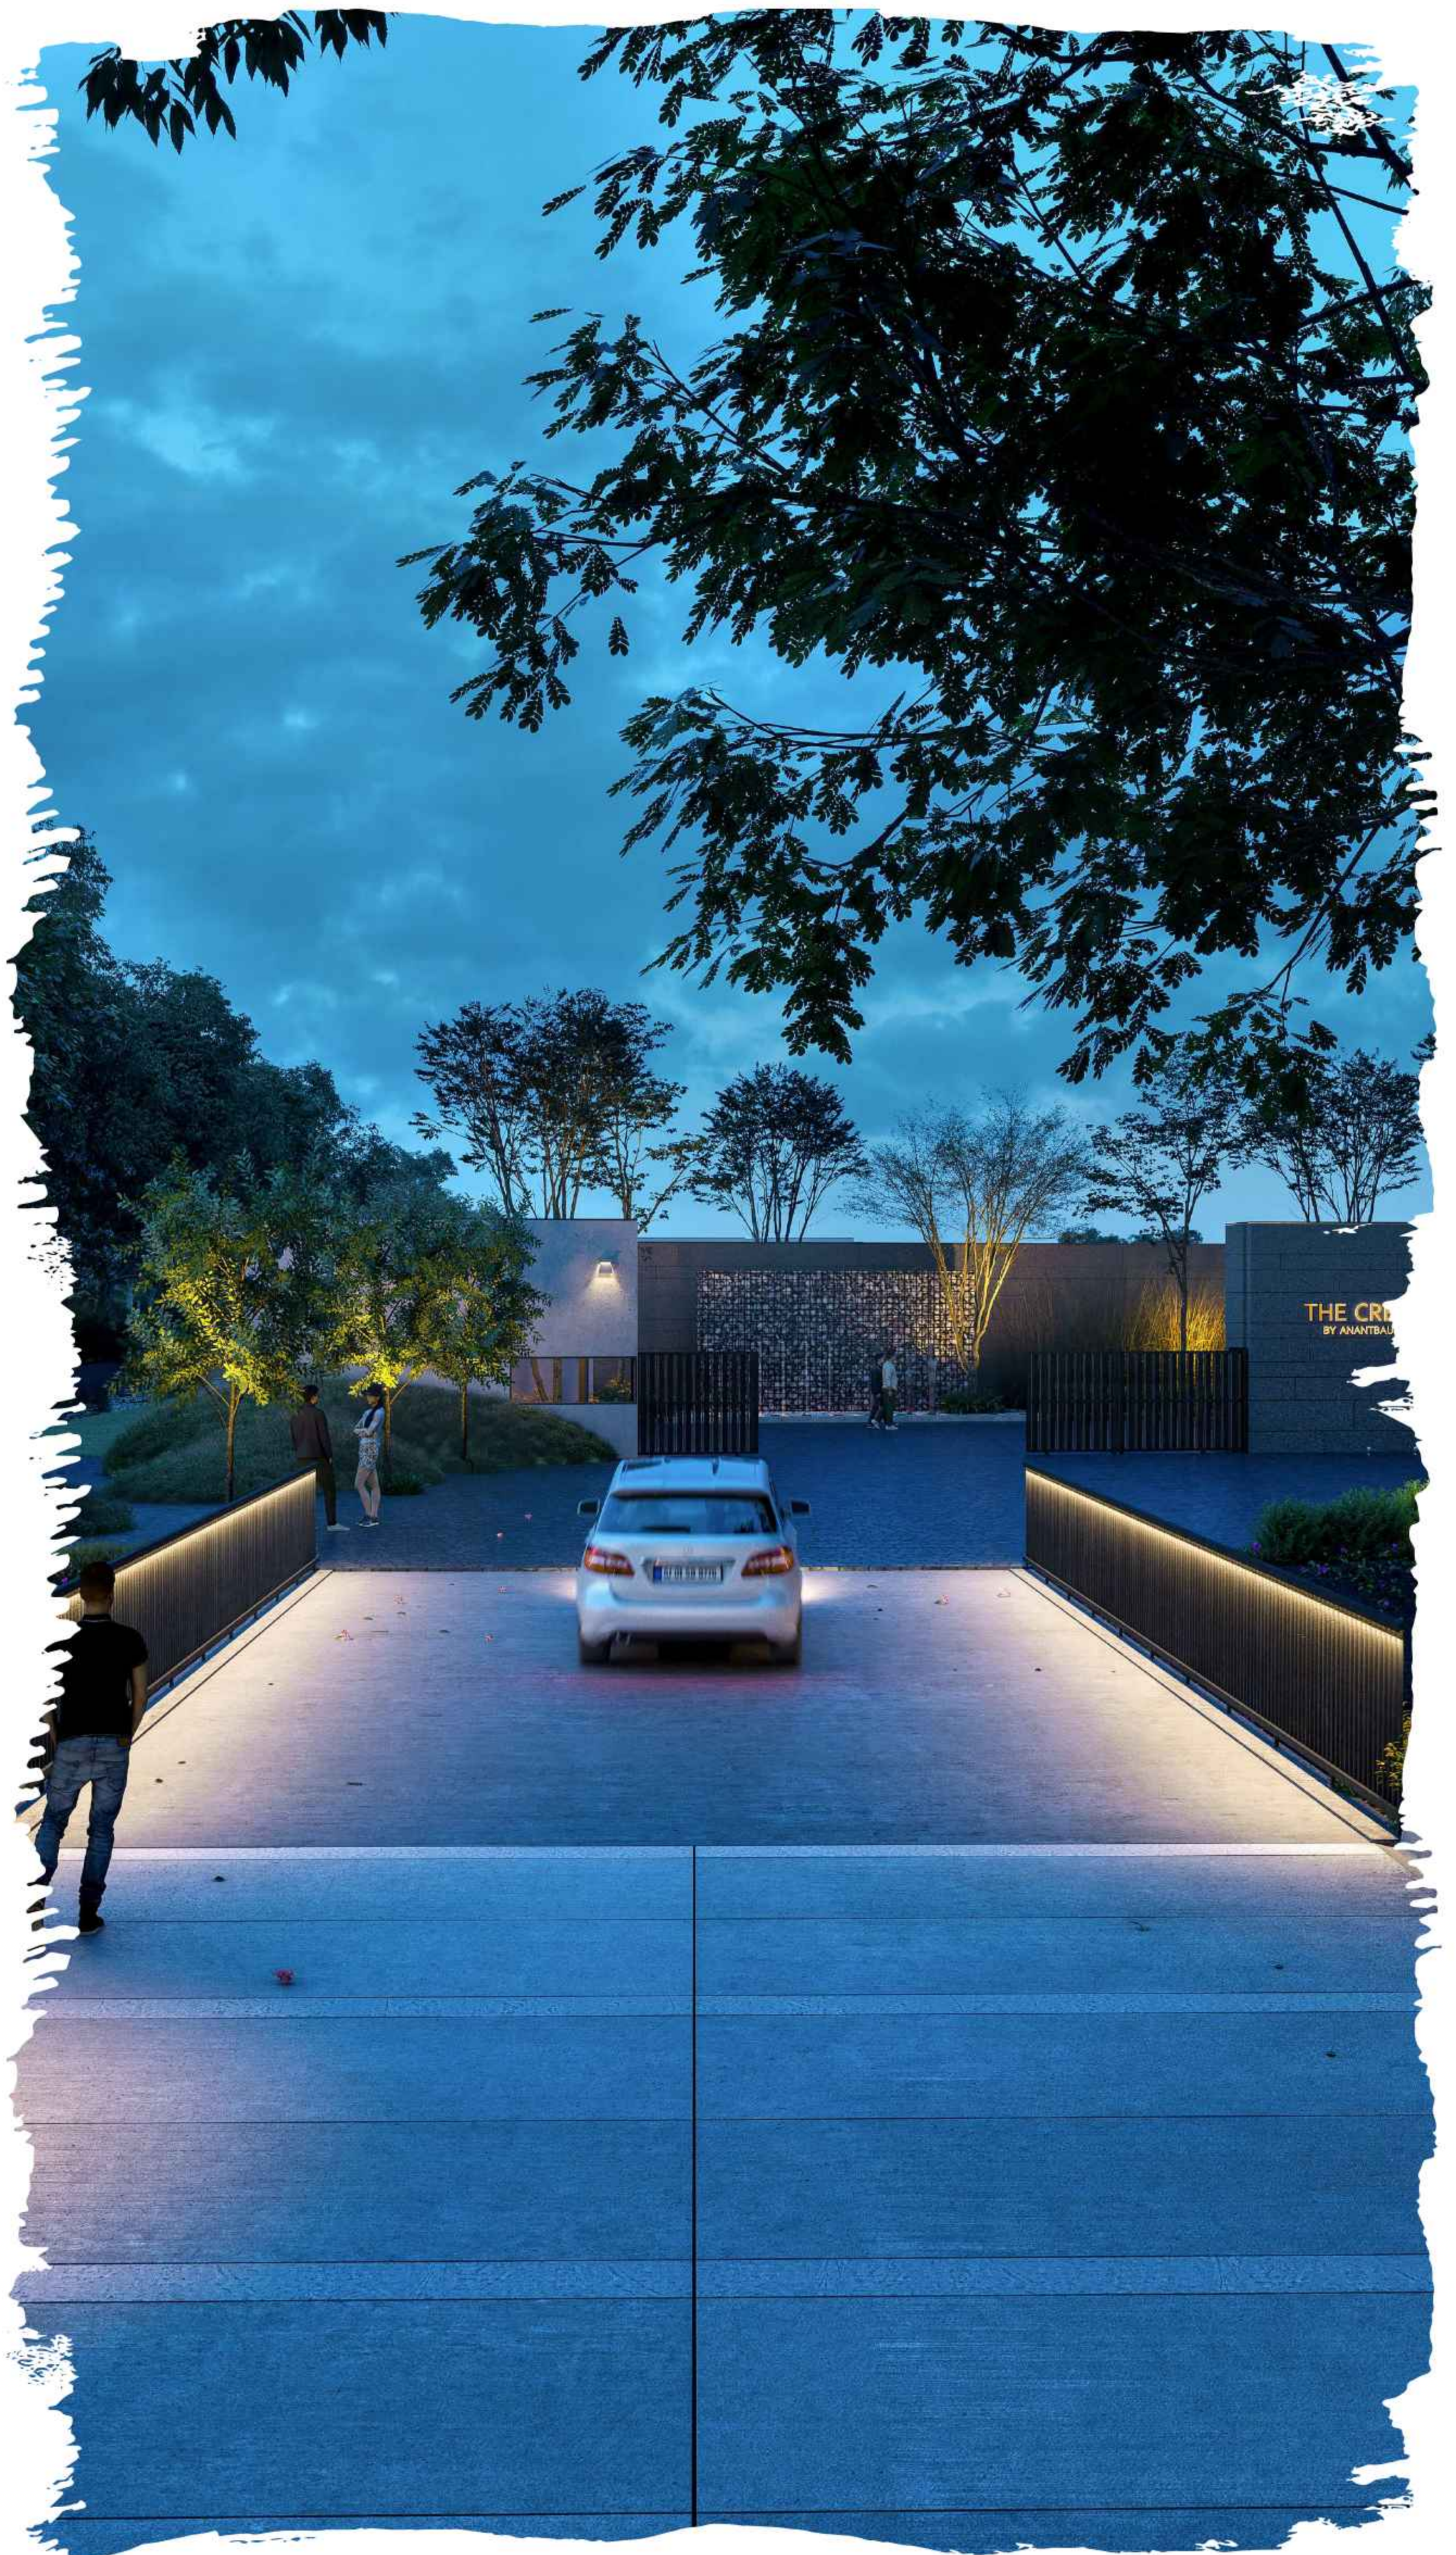

The Green Corridor

Blurring Boundaries Between Plot and Amenities

The 12m central driveway traverses through the wide bushy green landscape, blurring the boundaries of plot and access road. The central road assures a tranquil drive from the entrance to the clubhouse and plots.
