Fold Chair

A continuous plane, interrupted just enough to become a chair.

Category	Seating
Material	Brushed aluminium
Dimensions	W 52 × D 58 × H 76 cm · seat 44 cm
Finish	Directional satin brush; softly eased edges.
Care notes	Wipe with a soft, damp cloth. Dry along the grain. Avoid abrasive pads and acidic cleaners.

Illustrative design concept. Images are AI-generated. All dimensions and material descriptions are sample content, not manufacturing or safety specifications. Confirm construction, finish, suitability and compliance with the actual maker before ordering.

Veil Vessel

A smoky glass envelope, gathered around an open centre.

Category	Objects
Material	Smoky lilac glass
Dimensions	W 24 × D 20 × H 31 cm
Finish	Gloss glass with soft folds and variable optical density.
Care notes	Wash gently by hand in lukewarm water. Avoid sudden temperature changes and hard contact at the rim.

Illustrative design concept. Images are AI-generated. All dimensions and material descriptions are sample content, not manufacturing or safety specifications. Confirm construction, finish, suitability and compliance with the actual maker before ordering.

Beam Console

An oxblood timber beam resting on warm stone.

Category	Storage & surfaces
Material	Stained timber · travertine
Dimensions	W 160 × D 38 × H 78 cm
Finish	Oxblood stain with a satin clear coat; honed travertine supports.
Care notes	Dust the timber with a soft cloth. Blot spills immediately on the stone; avoid acidic cleaners.
