At the centre of UK logistics

Nottingham is one of the UK's most strategically positioned industrial and logistics locations, with a Greater Nottingham population of approximately 680,000 and access to a substantial regional labour pool.

Benefitting from a young, highly skilled workforce, strong manufacturing heritage and excellent connectivity via the M1 and wider East Midlands motorway network, Nottingham continues to attract major occupiers across the industrial, logistics and advanced manufacturing sectors.

IMPORTANT NOTICE Savills, Apex LLP and Avison Young give notice to anyone who may read these particulars as follows: 1. These particulars are prepared for the guidance only of prospective purchasers. They are intended to give a fair overall description of the property but are not intended to constitute part of an offer or contract. 2. Any information contained herein, whether in the text, plans or photographs, is given in good faith but should not be relied upon as being a statement or representation of fact. 3. Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise, nor that any services or facilities are in good working order. 4. The photographs appearing in this brochure show only certain parts and aspects of the property at the time they were taken. Certain aspects may have changed since then, and it should not be assumed that the property remains precisely as displayed. Furthermore, no assumptions should be made in respect of parts of the property that are not shown in the photographs. 5. Any areas, measurements or distances referred to herein are approximate only. 6. Where reference is made in these particulars to alterations having been carried out, or to a particular use being made of any part of the property, this is not intended to be a statement that any necessary planning, building regulations or other consents have been obtained. These matters must be verified by any intending purchaser. 7. Descriptions of a property are inevitably subjective, and those contained herein are used in good faith as an opinion and not by way of a statement of fact. Aug 2026.
