ABOUT WEIGHTS

Joints are cut by hand, so weights are matched as closely as we can and you pay for the exact weight at collection. One rib serves three; boneless joints serve about four per kilo.

Our beef and pork are raised on Balgone Estate. Some seasonal items may come from trusted local suppliers which will be clearly described. Christmas stock can change, and if a cut runs out we will offer you another of similar value.

10KG MINIMUM

GOOD TO KNOW

Our beef and pork are raised on Balgone Estate. Some seasonal items may come from trusted local suppliers which will be clearly described.

Everything is cut by hand, so stock, cuts and box contents can change. If something is not available, we will tell you and swap it for another cut of similar value.

Box weights are approximate and the box price is fixed. Steaks in the Steak Box are 300 to 400g each. Allergen information is on every pack label.

To order, email alex@balgoneestate.co.uk, message us on Instagram or Facebook, or ask at the Store or HERD counter. We send a link to pay, then you collect from the Store or we deliver, on a day we agree. Delivery is **free on boxes of £80 or more** across East Lothian and Edinburgh.
