Part 2 – Treasures

Pastor Dustin Lang

1) What is the one possession you treasured the most as a child?

2) The Bible describes both foolish and wise ways to view our possessions. Read Luke 12:13-20. How did this rich man have a foolish perspective of his wealth?

3) In what ways have you seen this same foolish mentality embodied in our culture today?

4) Now read Luke 16:1-9. Even though this manager was dishonest, he was commended. What did he understand about the future that his master applauded?

5) This manager used the funds he oversaw to make friends for the future. How can you use your wealth to make an eternal impact on those around you?
