tagra

Scalp Reliever: Anti-Dandruff 4% WS SA50™ Serum

Our Anti-Dandruff Serum, formulated with Tagra's groundbreaking Water-Soluble Salicylic Acid, WS SA50™, acts as a Scalp Reliever. With 4% Salicylic Acid, this lightweight leave-in treatment will not leave hair greasy or interfere with styling. Our unique formula works on visible dandruff for results you can see.

WS SA50™
Water-Soluble Salicylic Acid allows to formulate without alcohol and remove impurities without drying the skin.

Preservative-free | Not tested on animals | Not derived from animal origin | China compliant

Anti-Dandruff 4% WS-SA50™ Serum					
	Ingredient	INCI Name	%	Supplier	Function
