HEMEL®

Excellence in Wood Coatings

Introduction

Empower Your Brand with Hemel Wood Coatings

At Hemel Wood Coatings, we provide private label solutions for distributors and paint manufacturers. Whether you're looking to fulfill a specific customer need or expand into a new market, we make it simple to offer proven, premium wood stains and coatings under your own label—without the need for extensive R&D investments.

"Grow your business with proven products under your own label."

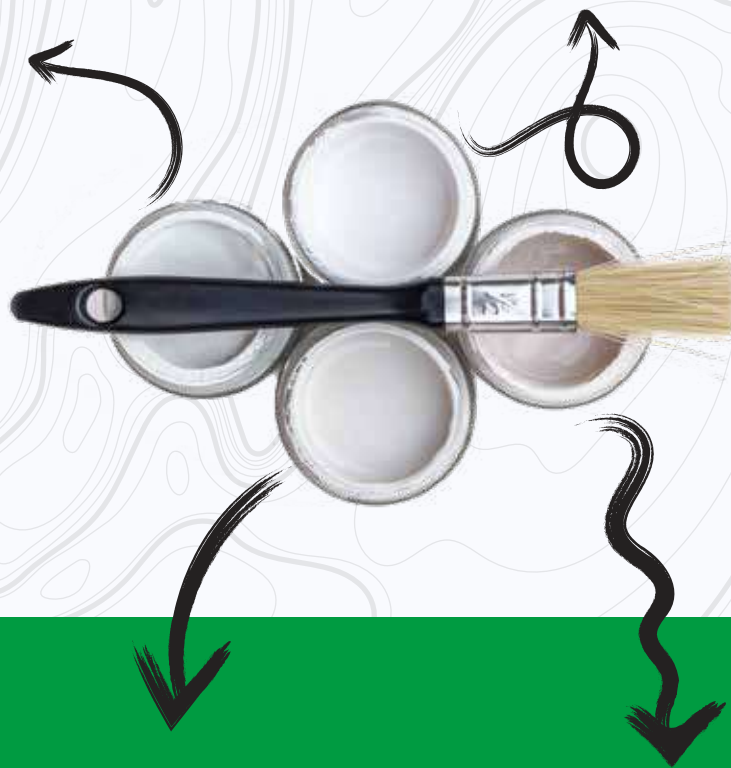

Why Choose Hemel as Your Partner?

Premium Trademark

We help you stand out with a product range tuned to your requirements and customer topology. Whether you're aiming to serve a specific niche or expand into new markets, our solutions provide unmatched quality and reliability.

Regulatory Excellence

Our products are manufactured in compliance with stringent EU regulations, including REACH, CLP, and EN 71-3 environmental certifications, ensuring your offerings meet the highest standards of safety, sustainability, and quality.

Partnering for Success

Hemel is a trusted wood coatings manufacturer with over 50 years of experience. Our private label services allow you to offer your customers products with exceptional quality while enjoying fair terms and professional support.

Expertise You Can Rely On

From ecological wood treatments to advanced formulations tailored for specific applications, our products reflect the highest standards of quality and sustainability. Our certifications, including ISO 9001 and 14001, ensure safety, environmental protection, and maximum ease of use.

Empower Your Independence

Your Brand, Your Identity

We enable business owners to invest in their own brands, freeing you from the constraints of being tied to other companies' brands. With Hemel, you're empowered to take control of your business direction and build a distinctive brand identity that resonates with your market.

Packaging Flexibility to Meet Your Needs

To help you better serve your customers and adapt to diverse market demands, we offer a wide range of packaging sizes:

Small Sizes: 250 ml, 500 ml, 750 ml

Medium Sizes: 1 L, 2.5 L, 5 L

Large Sizes: 10 L, 15 L, 20 L, 200 L, 1000 L

This flexibility ensures that your brand can cater to various customer preferences, whether for DIY consumers or large-scale projects.
