KICKOFF MEETING

The NACOG 2024 kickoff meeting took place on January 13th, 2024 right in Charlotte, NC. It was a true foreshadowing of the blessed feast the Lord was preparing for our family conference in July. Brothers and sisters, pastors, and ministers across the nation traveled to attend and bless the conference.

Sis. Anu Kenneth shared an encouraging promise from the Lord towards the conference, reminding all of God's great might and powerful works.

MARKED BY THE LORD

I'd like to share a few lines from a song that played on repeat in my mind in the weeks leading up to the conference: "You are more than able, who am I to deny what the Lord can do? Can you imagine, with all the faith in the room, what the Lord can do? And it's gonna happen, just let the Waymaker through, He's gonna move... Anything is possible. Who am I to deny what the Lord can do?"

Despite the challenges leading up to the conference, I was eagerly looking forward to it, especially because of the incredible lineup of speakers, including some of my favorites. The presence of The Holy Spirit was so evident throughout the sessions that I kept tearing up—one of the ways I personally experience His presence.

One of my deepest desires and prayers for this conference was, "Mark me, Lord." God was profoundly intentional in how He spoke to me, providing specific confirmations through His servants from the pulpit and in person.

Phebe John

I was amazed by His faithfulness in fulfilling several promises during and after the conference. Such a FAITHFUL God we serve! The conference featured powerful sessions by anointed speakers, spirit-filled worship, a wonderful visit to The Billy Graham Library, delicious meals, and warm fellowship with loved ones—some meeting for the first time, some reconnecting after decades, and others joined by enduring generational love, all beautifully orchestrated by God.

I want to extend my heartfelt gratitude to the organizers of the 27th NACOG Conference and the host church. A special thank you to everyone in the Queen City, from the youngest to the oldest, who welcomed us with warm smiles and made us feel right at home. My first NACOG conference was truly a blessed experience! The prayers behind this conference were deeply felt. May God shower His choicest blessings upon all who worked tirelessly on this conference.

THE LIVING GOD

— You are the God who sees me.
Genesis 16:13-14 —

It's been a couple months post 27th NACOG conference in Charlotte. As I reflect back upon the conference, I see God's providence as well as provision in all the different areas—Registration, Accommodation, Transportation, Ushering, Food, Youth ministry, Ladies' ministry, and Childrens' ministry, to just name a few. It is beyond comprehension how a small Church such as Bethel Christian Fellowship (BCF) could pull off such a huge event with 1300+ attendees. BCF experienced first-hand that nothing is impossible with God!

NACOG 2024 also saw the beginning of a new chapter—the Hindi conference for North Indian believers and Hindi speaking communities in and around Charlotte.

While many people were blessed spiritually through the conference, I want to share a personal experience during one of the Hindi services as the Bible says in Psalms 105:1—"Oh! give thanks to the Lord! Call upon His name; make known his deeds among the peoples!" (NKJV).

I had a deep burden in my heart for my brother in India who was laid off in January 2024 and since then has been jobless. But as the Local secretary and a leader of the Hindi conference, I was very busy overseeing the Saturday Hindi evening service. Unaware of any of this, a man of God who was one of the guest speakers, filled with the Spirit of God prophesied, "I see a man who has a huge burden in his heart. God has seen it and you will receive the answers of your prayer in August 2024."

Later the preacher met me and told the prophecy was for me. My heart's burden was rolled away and it was filled with joy.

August came and while my brother was still jobless, he decided to go to Bahrain and try job hunting there by staying with a friend for couple weeks. He met with few of the contacts over there and everyone turned him down. Out of nowhere, he got a call from a company that was not in his radar. He interviewed with them and they selected him. It was Aug 31st!

We serve a living God who is always working, even when we cannot see it, and that He is indeed "El Roi," the God who sees (Genesis 16:13-14).

The Children's Ministry at NACOG 2024 was filled with the team's passion and dedication to creating a fun-filled and spiritually-enriching experience for the children. The team leaders worked together with the grace of God and offered a wide range of activities that catered to a group ranging from 4 - 12 years. Object-based activities were used, making it easy to imbibe the knowledge of the Word of God, and the message of Salvation to the children. Volunteers were patient, kind, and they genuinely invested their time and effort towards the children's spiritual growth. Timely effective communication assisted the volunteers in managing the sessions wisely. The children had interactive elements like games, Wonder Word, mind-provoking movie night, and simulations to

help them retain the lessons better.

The love and passion instilled by the volunteers enabled the children to be receptive to the altar call for Salvation on the final day. Many of them were prompted by the Holy Spirit to accept the Lord as their Personal Savior.

We as a team thank the facilitators for the timeless efforts, boundless energy, and unwavering dedication in creating a nurturing environment for the volunteers and leaders. The hard work, patience, and kindness shown to the children, though remains unsung on earth will be rewarded by our Heavenly Father. "God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them"- Hebrews: 6:10.

N'S Y AT NACOG

God allowed my family to attend this year's NACOG Conference. It was a blessed conference for our family.

On July 14th, in VBS, I accepted Jesus as my personal Lord and Savior. I request you to keep me in your prayers to be a child of God. Thank you.

NEW CHURCH PLANT FOR CHHATTISGARH BELIEVERS

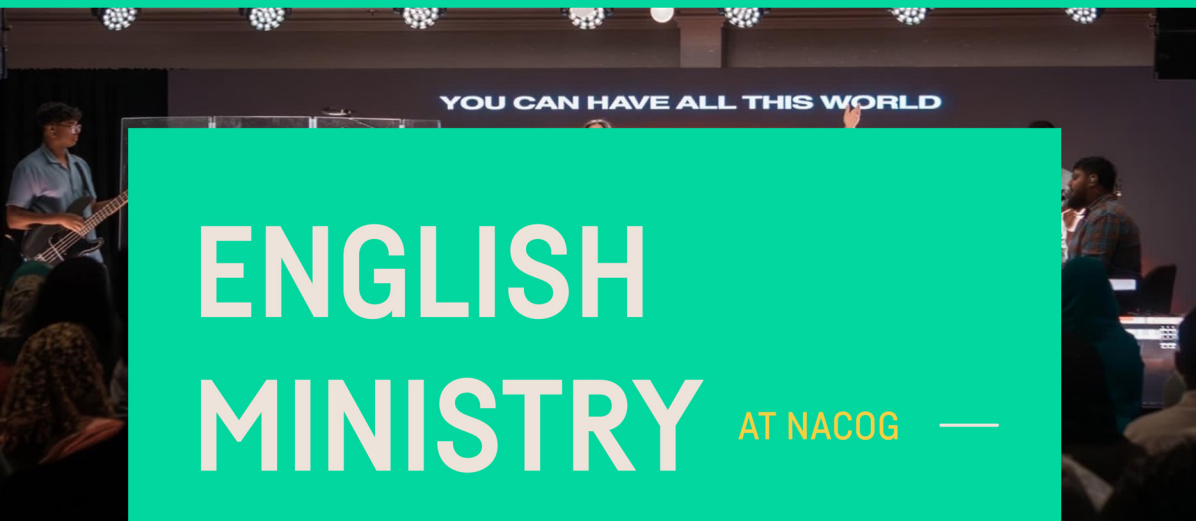

The Ladies Ministry at NACOG 2024 sponsored the building of a new church for believers of Chattanpara, Sitapur area in the State of Chhattisgarh. Around 50 people were gathering to worship the Lord every Sunday in this area. The church building will enable many more to gather together and worship. Please continue to uphold this ministry and Pastor Lalbabu Bek, who is ministering there in your earnest prayers.

The English Sessions at NACOG 2024 were packed with rich content to empower our next generation to be change makers in the Church, marketplace, and culture through the power of the Holy Spirit. The sessions featured Evangelism 101, Creative Workshop, Worship Q&A with guests from Upperroom, and blessed evening services with Pr. Javon Ruff and Pr. Sujith Alex.

NACOG Charlotte was my first time attending NACOG and it was better than I anticipated! I went in with the expectation of seeing some friends and attending the sessions but didn't think much of it. From the very first night, the presence of the Lord was so evident

and it continued throughout every meeting. Each message was hard hitting and the worship was so beautiful I didn't want it to end. I was able to meet some pretty awesome people and experience the city as well! Hope to see everyone in New York!

I attended NACOG with my daughter and we were very blessed by the whole event.

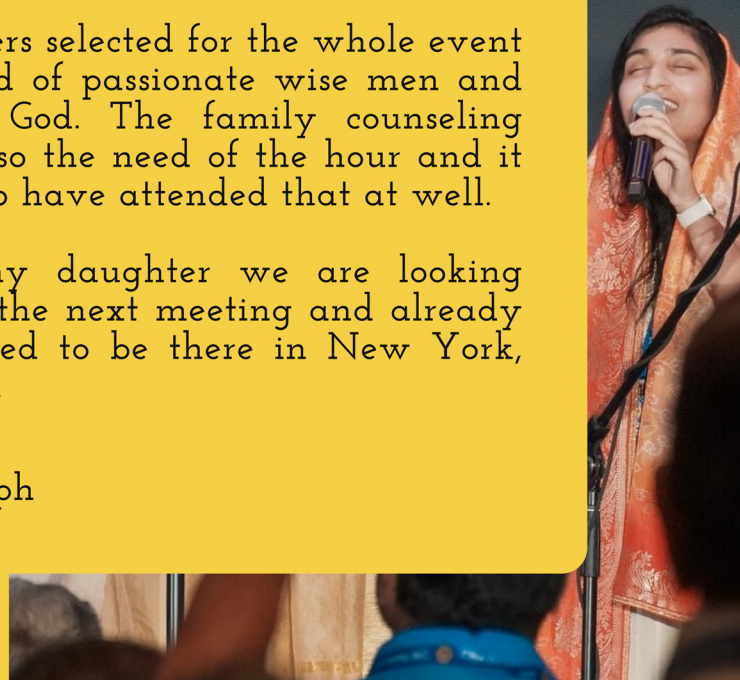

The meetings were very well organized and conducted. It was amazing to see that so much of planning had gone into the event and I am definitely sure no one could have pulled this off this well without a lot of prayer and Gods counsel and guidance.

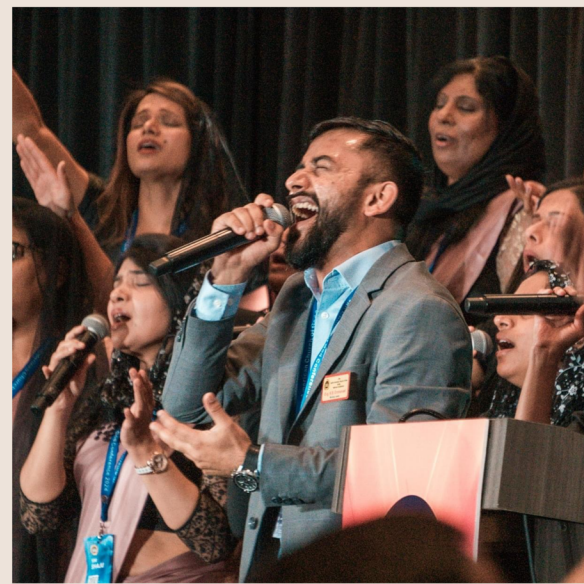

I enjoyed the fact that the meetings were multilingual and also catered specifically to various age groups.

The preachers selected for the whole event was a blend of passionate wise men and women of God. The family counseling session is also the need of the hour and it was great to have attended that at well.

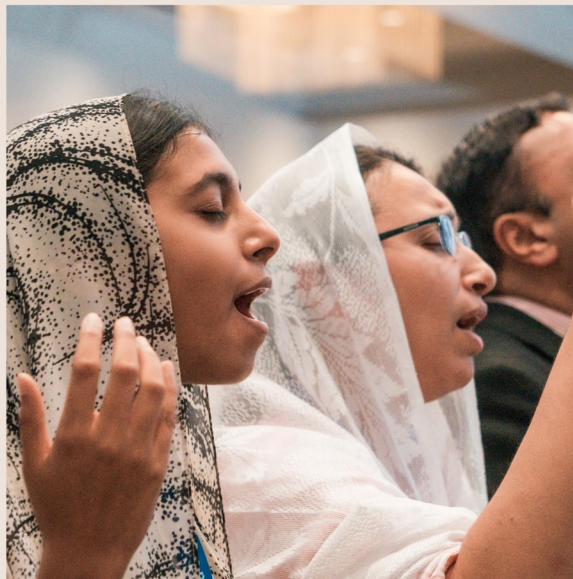

Me and my daughter we are looking forward to the next meeting and already have planned to be there in New York, God willing.
