MILLER AVE

Planning Forward

\$14.5M

Cost of repair and maintenance for all district buildings over the next 5 years

~\$100M+

Cost of renovation for all district buildings, not including phasing and temporary relocation

~\$100M

Cost of a
NEW PK-12 School

LOOKING AHEAD

With costs that are currently comparable, a new PK-12 school offers a long-term solution designed to support future generations of Garaway students.

- ✓ Safety & Security
- ✓ Air Conditioning & Comfort
- ✓ Accessible Spaces for All
- ✓ Flexible for Future Growth
- ✓ Equitable Opportunities Across Grade Levels
- ✓ Modern Learning Environments
- ✓ Being Together is Better
