

Granted Solar PV EWA Approval for Enrollment within Approved List

This consent to enroll new solar PV equipment(s) within EWA's approved list for the same, with equipment type manufacturer, consecutive model number(s) and ratings as stated in the following table, has been granted basing on the depicted referenced application number to indicate for EWA's approval to enroll such item(s) within its approved list.

Application #	PVMA/564/2026
Item Type	PV Module
Manufacturer	ZAKH RENEWABLE ENERGY AND ENGINEERING MANUFACTURING FZ LLC
Model #	FAERS-66H-XXX
Rating	700-740 (5) Wp

Noting the following binding implications:

- 1 The current approval for the pertinent item(s) is valid for two years only; upon which renewable will be required if the applicant wishes to preserve the same item(s) in the list.
- 2 It is the responsibility of the local agent to ensure the standards and specifications of the above approved articles as per those being stipulated along the dedicated forms.
- 3 Any alteration or changes to the specifications of the above item(s) will invalidate this approval with the automatic omission from the approved list containing the same.
- 4 This approval does not entitle the eligible user to hold Electricity Distribution Directorate responsible in the event of non-performance of the item(s).
- 5 Applicant shall ensure full harmonization of item(s) with all EWA-network's attributes, such as -but not limited to- system's electrical details, interface boundaries, and the environmental conditions, as per pertinent official documentations.
