Champs Testimonials:

AA Plus has helped me renew my faith in ways I can never explain. Thank you for producing such a home where my soul can rest.

Naaz K

I really appreciate the holistic themes AA Plus covers, they've been so helpful in equipping me for my life as a Muslimah. This is my safe space where I can show up as I am, a work in progress.

Oanh H

AA Plus is like a manifestation of Allah's Rahmah, in the form of a pure and loving sisterhood.

Maryam J.

AA Plus has changed how my heart sees the world. It carried me through the days when I really need a spiritual hand.

Noor N.B

Aida and team, you've created something rare and beautiful. What AA Plus has offered me - and many others - is something far more precious than perfection: it offered us truth, light, and a return to Allah.

Shaheen K

AAPlus is a community that helps to inspire and uplift my soul. If this sisterhood is a microscopic fraction of what my neighbours in Jannah will be, then it's a sisterhood that I want to be with till the end of life.

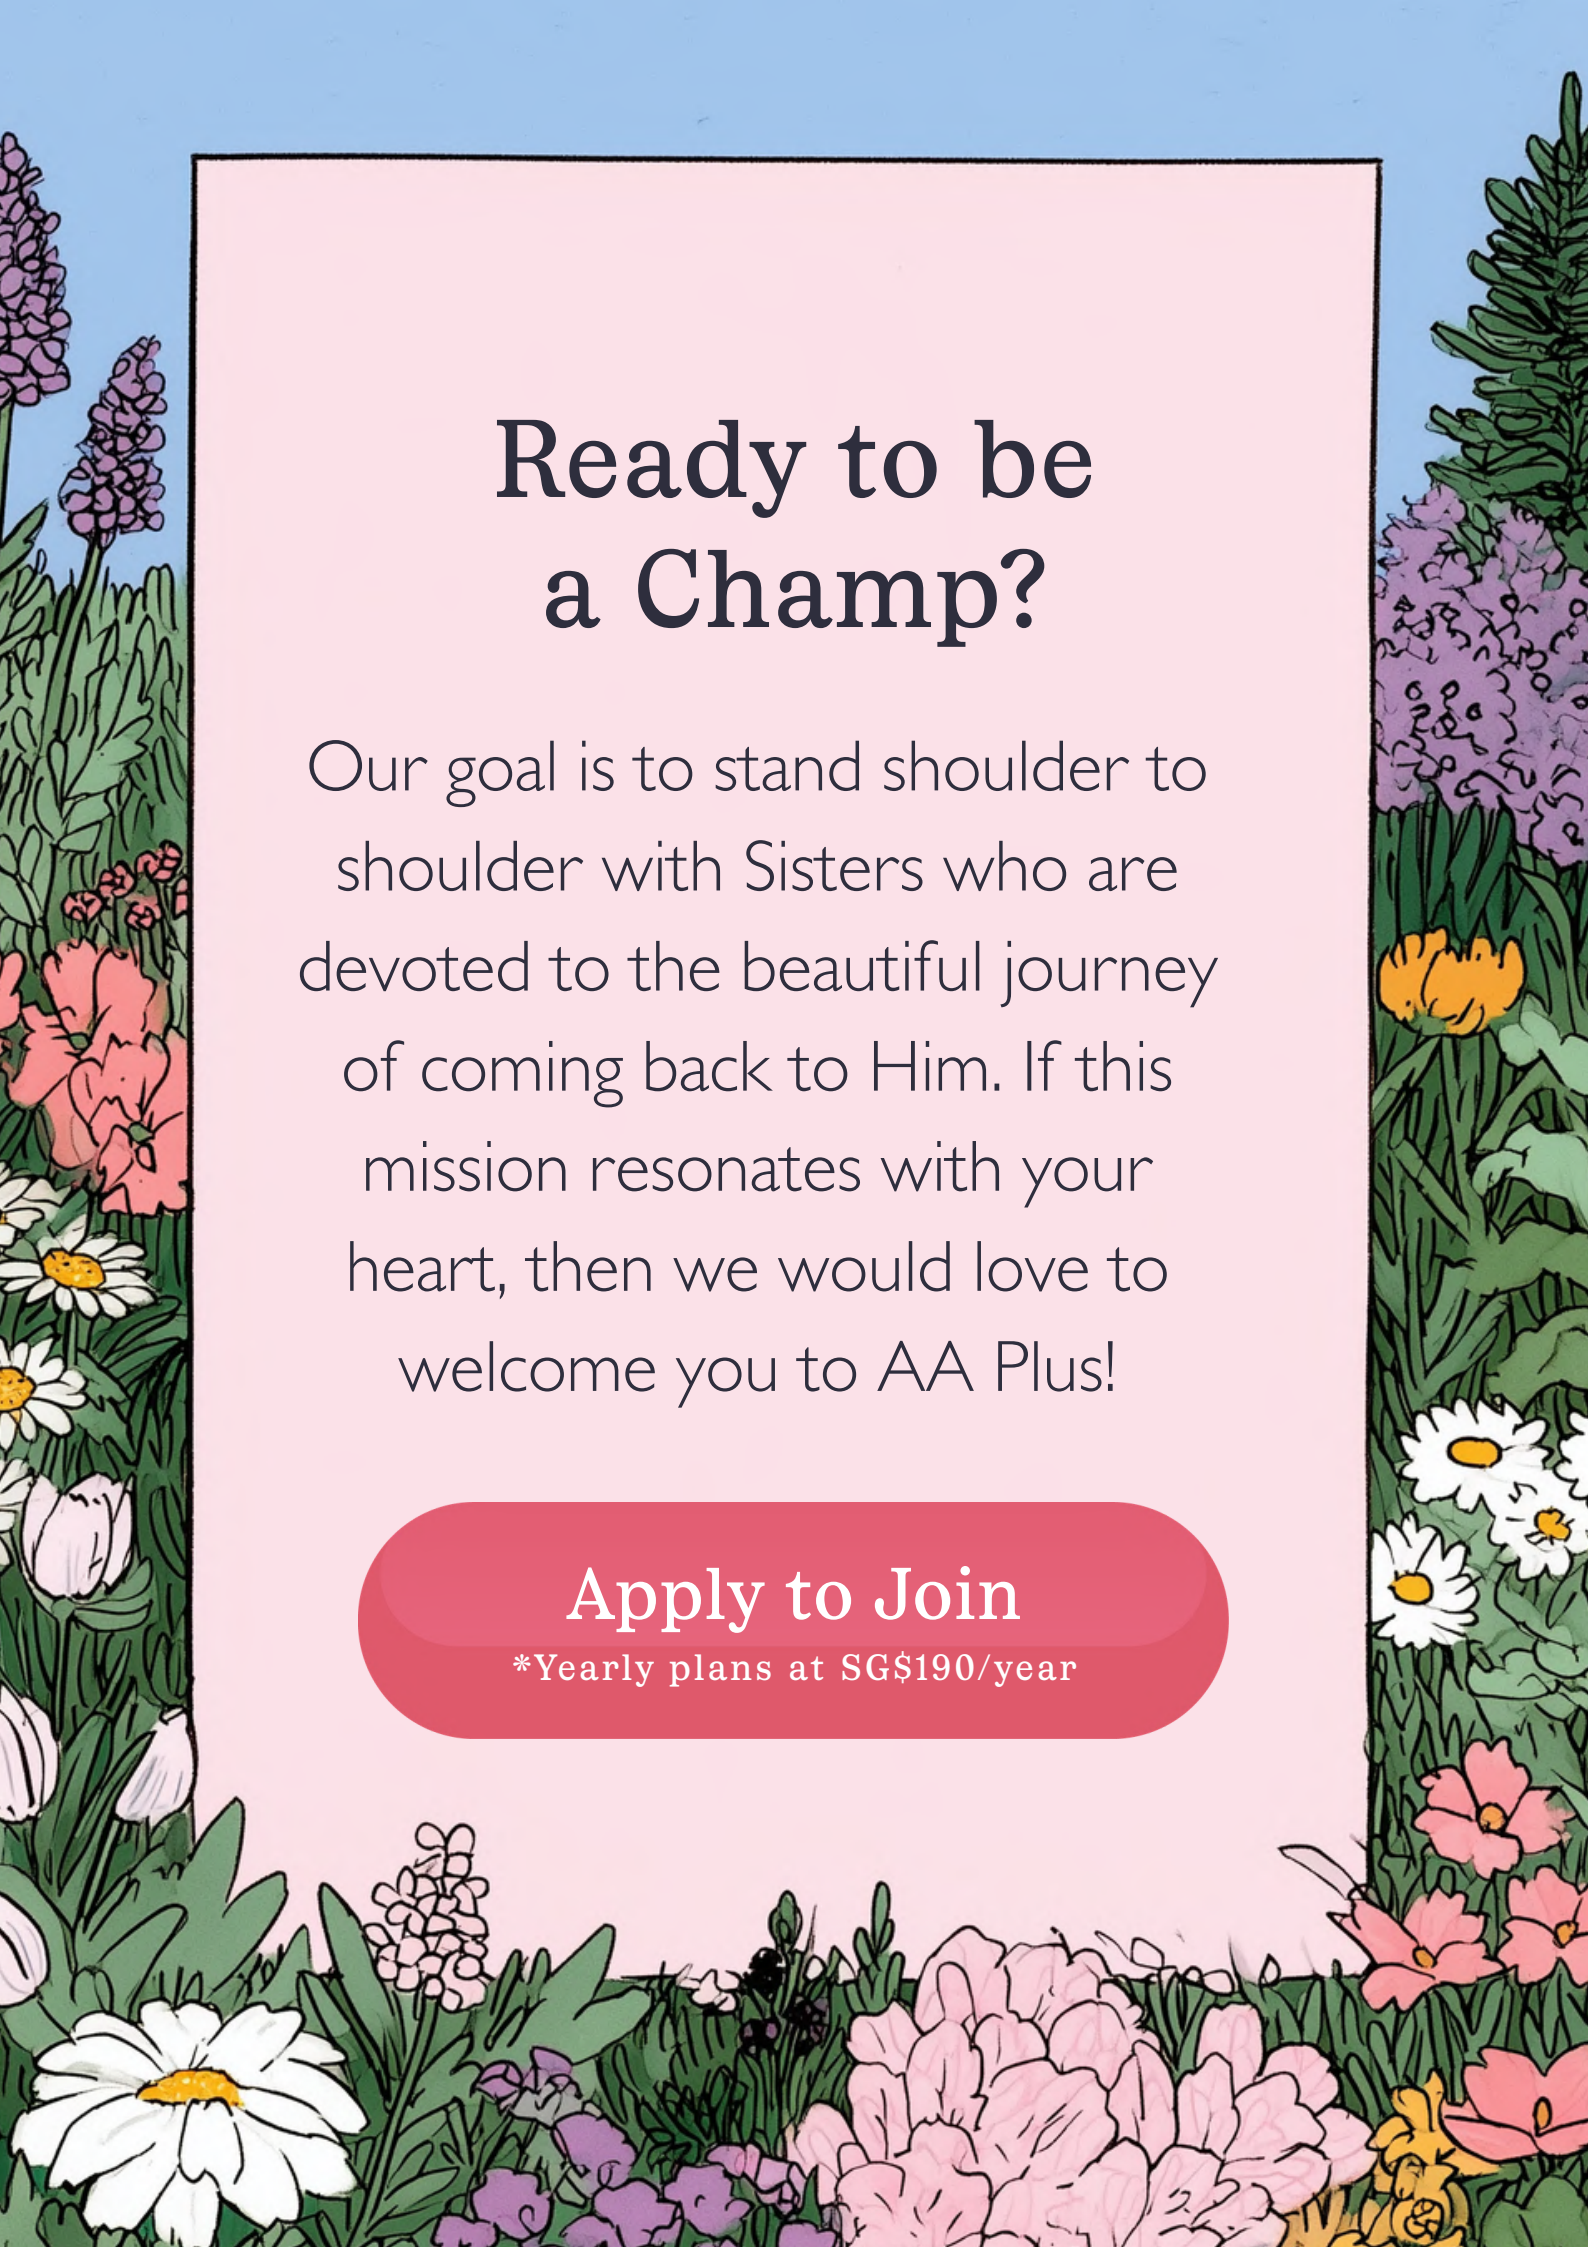

Champ Anonymous

I love how the AA Plus website is organised & easily accessible. The PDF notes from the sessions are such a big help for me & regular Closer updates really help me stay connected & on track too!

Aisyah S

AA Plus transcends the definition of a mere community; it's a sacred sanctuary for profound transformation. Within this extraordinary community, my spiritual journey has flourished beyond my hopeful expectations.

FAQ:

Q: What time are the Events?

A: Most sessions are held on **Sundays, at 8pm SG / MY** time, and we usually release the schedule a few weeks in advance. For more intimate Community-centred Sessions like Quran Recitation / Book Clubs, etc, we do our best to have alternate timings so that Champs from other sides of the world can join in!

Q: Realistically, what is the commitment level required for AA Plus?

A: We'll say this - the more time you put in, the more you will get out of your membership. But no matter how busy things get, our weekly Closer emails only take about 5 minutes to read. Teacher-led Events are all recorded and they have accompanying detailed notes too. But here's a **Pro-Tip**: Block off an hour to join live, even if it's chaotic (kids, chores, you name it). It's actually way easier than catching up later, plus the live ✨vibe✨ is unbeatable!

Q: How do you ensure privacy & safety?

A: We take the safety and privacy of our Champs very seriously. This is why we ask everyone to use their real name in our sessions, as it helps build real trust and authenticity. We also consciously chose not to post any recordings online for community-centred sessions so that everyone can speak freely and feel fully protected. On top of that, AA Plus is a 100% women-only space, making it easier for us to create a safe and nurturing environment for meaningful suhbah.

Q: Are there any pricing alternatives?

A: Yes! Besides our Yearly Plans, we also offer gentler pricing options for Sisters who need financial ease. If that's you, just email us at hello@aaplus.co and tell us a bit about yourself. We'll do our best to find a suitable arrangement for you, In Sha Allah.
