

PICE Quality Evening Programme (QE)

Perth International College of English – **General English Evening classes** – a commitment to **excellence** for students who want **quality English** classes but are unable to study during the day. The high standard of delivery of daytime English lessons at PICE will be replicated in our evening classes.

Students will achieve their best results in the evening classes for the same reasons as our day classes:

- **Classes** An average of 12 and a maximum of 15 students per class.
- **Teachers** All P.I.C.E. teachers have qualifications approved by the Australian government. Many have had experience teaching overseas. The accent at P.I.C.E. is international.
- **Materials** Class materials are included in the price. Students purchase course books.
- **Tests** Regular weekly testing ensures students are always at their correct level
