

Safeguarding and child protection

How we keep children safe and who to talk to if you are worried.

SAMPLE POLICY - replace this file with your own policy in the CMS (Settings > Policies).

Our commitment

Every adult at the nursery puts children's safety and wellbeing first. All staff hold an enhanced DBS check and complete safeguarding training every year.

Who to talk to

Our Designated Safeguarding Lead is the nursery manager. If you are worried about a child, speak to them in person or call the office.

What we do

We record and share concerns with the local safeguarding partnership, keep records secure and follow the statutory guidance for early years settings.
