40SRC

CABIN RIB

OLYMPIC RIBS

Offshore character.
Cabin comfort.

HANDCRAFTED IN GREECE

Greek craft. Offshore spirit.

The 40SRC brings the character of a performance RIB together with a protected helm and an integrated cabin for longer days and overnight stays.

40+

YEARS OF BOATBUILDING

Building in Greece since 1985, Olympic RIBs has delivered more than 4,000 boats worldwide.

Deep-V hull. Protected helm.
Integrated cabin.

Discover the OLR story

Every space has a purpose.

1 Bow lounge

A dedicated seating area ahead of the cabin.

2 Integrated cabin

Sleeping accommodation beneath the foredeck.

3 Sheltered helm

T-top and windscreen over the driving area.

4 Aft seating

A separate social area behind the helm.

5 Swim platforms

Water access either side of the outboards.

Photographed configuration. Selected finishes and optional equipment are shown.

Longer days. Better company.

Space to gather

A bow lounge and separate aft seating create two places to enjoy time at rest. The photographed bow table is an optional feature.

Considered deck details

Integrated cup holders, grab handles and platforms beside the outboards.

OFFSHORE-MINDED COMFORT

Comfort starts at the helm.

Two Ullman Echelon suspension seats are listed in the standard specification. Their shock-mitigation design helps reduce wave impacts, drawing on technology used by professional and military operators.

A full windscreen, wiper and T-top shelter the helm. Navigation displays and the OLR digital interface keep key controls together.

Seat technology: Ullman Dynamics

BELOW DECK

Stay a little longer.

A dedicated double berth.

A full double bed, integrated furnishings, soft interior lighting and USB charging create a practical place to retreat after a day on the water.

FIXED CABIN LAYOUT

The sleeping and bathroom arrangement is fixed. The berth, partitions and bathroom positions are not reconfigured.

Private space. Proper comfort.

An enclosed toilet and shower compartment, complemented by a basin and vanity, adds privacy and practicality below deck.

The standard schedule includes an electric marine toilet, shower with grey-water system, bathroom accessories and interior lighting.

PART OF THE FIXED CABIN

Basin, tap and illuminated vanity.

Enclosed toilet and shower compartment.

Comfort, from the start.

The 40SRC standard comfort and deck equipment.

SEATING & SHELTER

Two Ullman Echelon seats. Powder-coated stainless-steel T-top frame, curved safety glass and windscreen wiper with washer. Illuminated machined aluminium handles and a Zipwake controller.

DECK & WATER ACCESS

Foam SeaDek decking and Silvertex exterior upholstery. Aft shower, retractable swimming ladder, custom scuppers and handrails, retractable cleats, dedicated water and fuel fillers, and a black-water extraction point.

CABIN & PRIVATE FACILITIES

Double bed; separate bathroom area with wood furnishings; electric toilet; basin and tap; shower with grey-water system; bathroom accessories; interior lighting; premium upholstery; USB charging sockets.

REVERSE SOFA & SOCIAL AREA

Reverse sofa with LED cup holders, illuminated aluminium handles, built-in waste bin and Corian countertop.

An integrated cabin. An open deck.

Overnight accommodation within a walkaround, 12-metre performance platform.

Equipment reference: supplied SR Line V3 workbook, OLR 40SRC_EN, rows 129-188. Photographs may include optional upgrades.

Technology, built in.

NAVIGATION & BOAT CONTROL

Raymarine Axiom Pro 12-inch plotter with map and sonar; Raymarine RAY90 VHF with black box. CZone digital switching, touch keypad and the custom Olympic RIBs interface. Zipwake interceptors.

ANCHORING & MOORING

1,000 W electric windlass; Ultra Marine anchor; stainless-steel chain; custom stainless-steel bow cover with roller and U-bolt. Windlass operation from the console and remote control.

BATTERIES & ELECTRICAL

Two service batteries; main battery switch panel with ACR and remote switching; remote battery control; 16 A shore-power charger with cable; automatic bilge pumps.

AUDIO

JL Audio MM105 source; four JL Audio M3 7.7-inch speakers; one 10-inch subwoofer; 600 W JL Audio amplifier.

TANK SYSTEMS

Integrated fuel, fresh-water and black-water systems support the boat's onboard services. Final capacities are confirmed in the build specification.

LIGHTING

Navigation and anchor lights; LED spotlights; ambient LED lighting; single-colour deck lighting and LED cup holders.

Equipment source: supplied SR Line V3 workbook, OLR 40SRC_EN, rows 169-214. Exact anchor and chain sizing, tank capacities and the final equipment schedule must be confirmed for the ordered build.

SELECTED OPTIONS

Your boat.
Your priorities.

Choose equipment and finishes to suit your time at sea.
The 40SRC cabin arrangement remains fixed.

01 **NAVIGATION & CONTROL**

Larger or second Raymarine displays, AIS, radar, FLIR thermal imaging, joystick/autopilot packages and a 50 kgf bow thruster.

02 **MATERIALS & SHADE**

Burma teak decking, Alcantara upholstery, carbon seat upgrades, carbon-pole awnings and protective covers.

03 **MUSIC & LIGHTING**

JL Audio M3/M6 upgrades, illuminated speakers, underwater lights and Shadow-Caster RGB / sound-to-light equipment.

04 **LIFE ON BOARD**

Electric or removable tables, refrigeration options, a 3,000 W inverter/charger and solar charging.

Options depend on the engine and deck package. Larger fridge/freezer units, the wet-bar sink and induction hob are not listed for the reverse-sofa setup. Induction cooking requires the inverter.
