

Web Design & Development Agreement

This agreement is made between [Client Name] (referred to as "Client") and Airweb360, a digital web agency (referred to as "Contractor").

1. Scope of Work and Payment

1.1 Project Overview

The Client agrees to hire the Contractor for the development and design of a custom website. The project will include:

- A website with up to [number of pages] pages.
- Custom web design with [number] revisions.
- Development on [platform, e.g., Framer/Webflow/WordPress].
- Migration of content and pages from any prior website.
- Implementation of security measures for the website.
- CMS (Content Management System) dashboard for easy edits by the Client.
- Conversion optimization.
- 4 hours of free post-launch support.

Additional integration of third-party services will be provided if necessary, including:

- [Third-party integrations, e.g., payment gateways, analytics tools].

1.2 Timeline

The Contractor will commence the project upon the signing of this contract and receipt of the initial deposit. The project is expected to take approximately [number] weeks, with a target completion

date of [date].

1.3 Payments

The Client agrees to the following payment structure:

1. Deposit: An initial deposit of 50% of the total cost is required before work begins.
2. Mid-Project Payment: A payment of 25% will be due once the design phase is completed.
3. Final Payment: The remaining 25% is due upon project completion and the site being published.

Any additional services beyond the project scope, including updates or changes post-launch, will be billed at a rate of \$125/hour with prior Client approval.

1.4 Additional Expenses

Expenses incurred during the project, such as purchasing additional domains or plugins, will be reimbursed by the Client with prior written approval.

2. Project Termination

The contract remains valid until the completion of the project. If the Client wishes to terminate the agreement prematurely, they are still liable for payments for the work completed up to that point.

3. Website Responsibility

3.1 Contractor Responsibilities

The Contractor will use all content provided by the Client. After website delivery, the Contractor is not responsible for any misuse of third-party images or content added by the Client.

3.2 Client Responsibilities

The Client is responsible for providing timely feedback and necessary content. Failure to provide

content may lead to project delays.

4. Legal Considerations

4.1 Intellectual Property

The Contractor assures the Client that all delivered work is original and free of any intellectual property disputes.

4.2 Compliance with Laws

The Contractor will ensure that all work complies with applicable laws and regulations, while the Client must confirm that all provided materials are legal to use.

5. Confidentiality

Both parties agree to keep all confidential information shared during the course of the project private. This includes business strategies, customer information, and any other non-public information. Each party agrees not to disclose this information without written consent unless required by law.

6. General Provisions

6.1 Assignment

The Contractor may not assign any portion of this contract to a third party without prior written consent from the Client. The Client may assign rights if needed without requiring Contractor approval.

6.2 Arbitration

In the event of a dispute, both parties agree to resolve the matter through arbitration as per the American Arbitration Association's rules.

6.3 Modifications and Waivers

Changes to this contract must be agreed upon in writing by both parties.

6.4 Notices

Notices under this contract can be delivered personally, via email, or certified mail. Email notices are effective upon acknowledgment of receipt.

6.5 Severability

If any part of this contract is deemed unenforceable, the remainder will continue in full effect.

6.6 Signatures

This contract can be signed electronically and shall be considered legally binding.
