Education

ArtCenter College Of Design | 2023 - Expected Graduation 2027
Bachelor of Science, Product Design, Minor in Business

Creative Secondary School Hong Kong | 2016 - 2022
International Baccalaureate Diploma Programme (DP), Total IB Score 41
Completed Design Technology HL, Visual Arts HL, Business Management SL

Experience

Logitech Sponsored Design Studio, Offsite | Jun-Sep 2026
Selected for Offsite Studio, working directly with Logitech designers on a sponsored project.
Following the full industrial design process to professional standards.
Receiving regular critique and mentorship from visiting guest designers to improve my process, craft, and design thinking.

KeyShot Student Ambassador | 2025 - 2026
Helped introduce lower term students to KeyShot by sharing my workflow.
Promoted KeyShot and AI visualization tools through demonstrations during and outside class time.

Teaching Assistant
ArtCenter Product Design 3D Modeling I | Sep - Dec 2025
Assisted the instructor in building students' foundational skills in SolidWorks.
Provided technical support in SolidWorks, 3D printing, and physical prototyping.
Supported students in solving design challenges.

Teaching Assistant
ArtCenter Product Design Prototype Process II | Jan - May 2025
Assisted the instructor in teaching a prototyping course focused on designing, building and engineering a functional speaker.
Delivered technical support and live demos of fabrication processes.
Helped students troubleshoot both design and engineering problems, through practical problem-solving and iteration.

Assistant Designer, Intern
Taiwan Novelty (Hong Kong) Ltd. | May- Aug 2021
Built scale models to present concepts and design details.
Developed concepts through sketches and physical and digital models.

Skills & Interests

Digital:
SolidWorks, NX, Rhino, KeyShot, Adobe Creative Suite, Figma

Who I am:
Native speaker of English, Mandarin, and Cantonese
I enjoy staying active, being a scuba diver, basketball player, and traveler.
