

BALI

BALI

About the destination

Bali is one of those places that somehow has a little bit of everything.

One moment, you're watching the sunset with music playing at a beach club. The next, you're out in the ocean, snorkelling in crystal-clear waters around Nusa Penida.

Some mornings begin before sunrise, driving through volcanic landscapes towards Mount Batur. Others take you through endless rice terraces, waterfalls and the lush green side of Ubud.

And somewhere in between, there are water sports, dramatic cliffs, jungle trails, ATV rides, river rafting and nights that are probably going to end much later than planned.

Over eight days, we'll experience Bali in all its different forms. From the energy of Kuta to the unreal landscapes of Nusa Penida and the peaceful green surroundings of Ubud, this trip brings together adventure, relaxation, nightlife and everything that makes Bali one of the world's most loved destinations.

But as always, we're not just going there for the places. We're going for the random conversations, the shared meals, the people you meet along the way and the memories that happen when a group of strangers decides to explore a new part of the world together.

Come for Bali. Leave with stories.

DAY 1

Hello, Bali!

Welcome to the Island of Gods.

Arrive in Bali and take your private transfer to the hotel in Kuta. Take some time to settle in after your journey, relax and soak in the fact that you're finally here.

As the evening arrives, it's time to experience Bali's famous nightlife. We'll head out for a club

or beach club experience, where you can enjoy the sunset, music and vibrant energy that Bali is known for. The venue will be selected from options such as Finns Beach Club, Savaya Bali, Motel Mexicola, Atlas Beach Club, Rock Bar, White Rock Beach Club or Potato Head Beach Club.

A good sunset, great music and your first night with the group. Not a bad way to begin.

Overnight stay in Kuta.

DAY 2

Water, Cliffs & Fire

After breakfast, we head to Tanjung Benoa Beach, Bali's hub for water adventures. Get ready to enjoy any three activities from Jet Ski, Banana Boat Ride, Parasailing, Fly Fish and Donut Ride.

After an adventurous start to the day, we make our way towards the southern cliffs of Bali. Here, we'll visit the iconic Uluwatu Temple, dramatically perched above the Indian

Ocean.

As the sun begins to set, we'll witness the famous Kecak Fire Dance. With rhythmic chanting, traditional storytelling, fire and the ocean in the background, this is one of Bali's most memorable cultural experiences. Overnight stay in Kuta.

DAY 3

An Island Escape

After breakfast, we check out and transfer to Bali Harbour. From here, we'll board the Sanjaya Fast Boat and make our way towards Nusa Penida. As we leave Bali's coastline behind, get ready for a completely different side of the island.

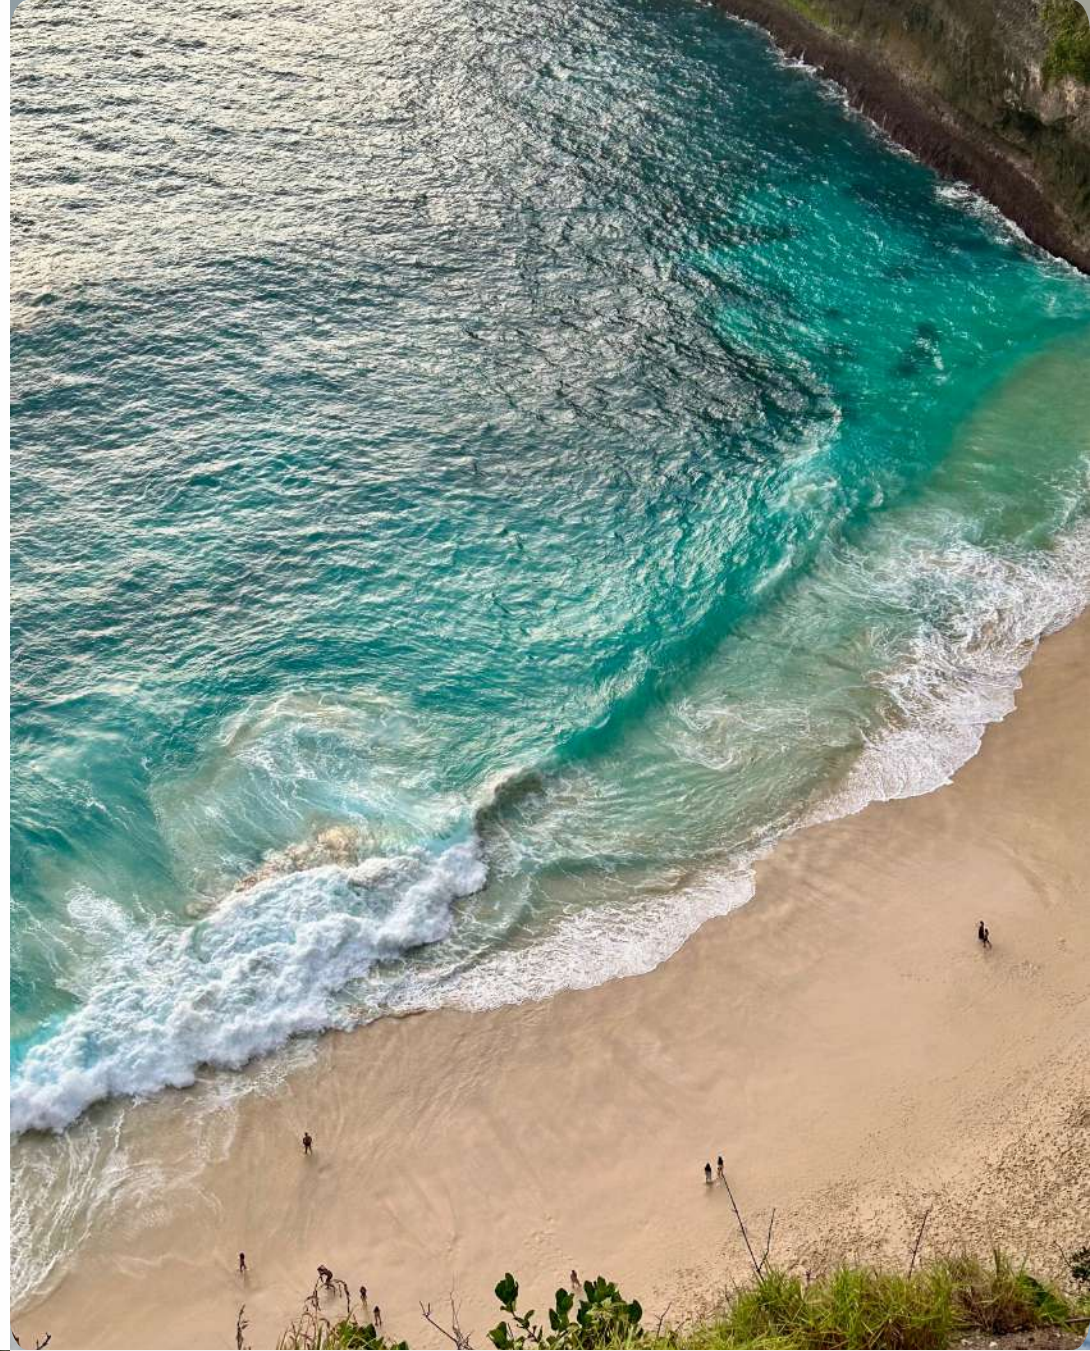

After arrival, we'll enjoy a snorkelling experience around Penida Harbour. Spend time in crystal-clear waters and discover the tropical marine life beneath the surface. The rest of the day is yours to relax and explore the island at leisure. Slow down, take in the views and enjoy island life. Overnight stay in Nusa Penida.

DAY 4

Where the Cliffs Meet the Ocean

Today, we explore the dramatic landscapes that make Nusa Penida so unforgettable.

Our first stop is Kelingking Beach, known for its spectacular cliffside views and turquoise waters.

We'll also visit Angel's Billabong and Broken Beach, two of the island's most iconic natural formations.

Later, we'll visit Crystal Bay / Bu Bu Beach and enjoy the beautiful coastline.

From towering cliffs to bright blue water, today is all about taking in some of Bali's most unreal views. In the afternoon, we transfer back to the harbour and board our fast boat to Bali.

From there, we continue towards Ubud, where the beaches and cliffs make way for lush greenery and rice fields.

Overnight stay in Ubud.

A local lunch is included during the excursion.

Overnight Stay: Kuta

DAY 5

The Green Side of Bali

Today, we explore the beautiful landscapes of Ubud.

After breakfast, we'll visit the famous Tegalalang Rice Terraces, surrounded by the lush green scenery Bali is known for.

Next, we head to Tegenungan Waterfall, a beautiful escape surrounded by tropical landscapes.

Later, we'll visit Alas Harum.

Here, the experience includes access to Cretya Pool Club and the Super Extreme Swing Experience.

Relax by the pool, take in the views of the rice terraces and enjoy one of Ubud's most scenic experiences.

Overnight stay in Ubud.

DAY 6

Chasing the First Light

Today begins early.

Very early.

But some experiences are worth waking up for.

We'll head out for a 4WD Jeep Experience around Mount Batur and witness the sunrise surrounded by Bali's volcanic landscapes.

As daylight spreads across the horizon, take in views of Mount Batur, Lake Batur, the surrounding mountains and the dramatic volcanic terrain.

It's one of those quiet moments where you stop worrying about the early wake-up call and simply take in where you are.

After the experience, we'll return to the hotel. The rest of the day is free for you to relax and explore Ubud at your own pace. Overnight stay in Ubud.

DAY 7

Let's Get Muddy

We're ending our last full day in Bali with adventure. First up is a thrilling 90-minute ATV ride through Bali's countryside. Ride through rice fields, jungle trails, riverside tracks and rural Balinese landscapes. Later, we continue for an exciting White Water River Rafting experience.

Paddle through Bali's tropical surroundings, with flowing rapids, waterfalls and lush greenery along the way. Lunch is included after rafting. A little adventure, a little mud and hopefully a lot of laughter. Overnight stay in Ubud.

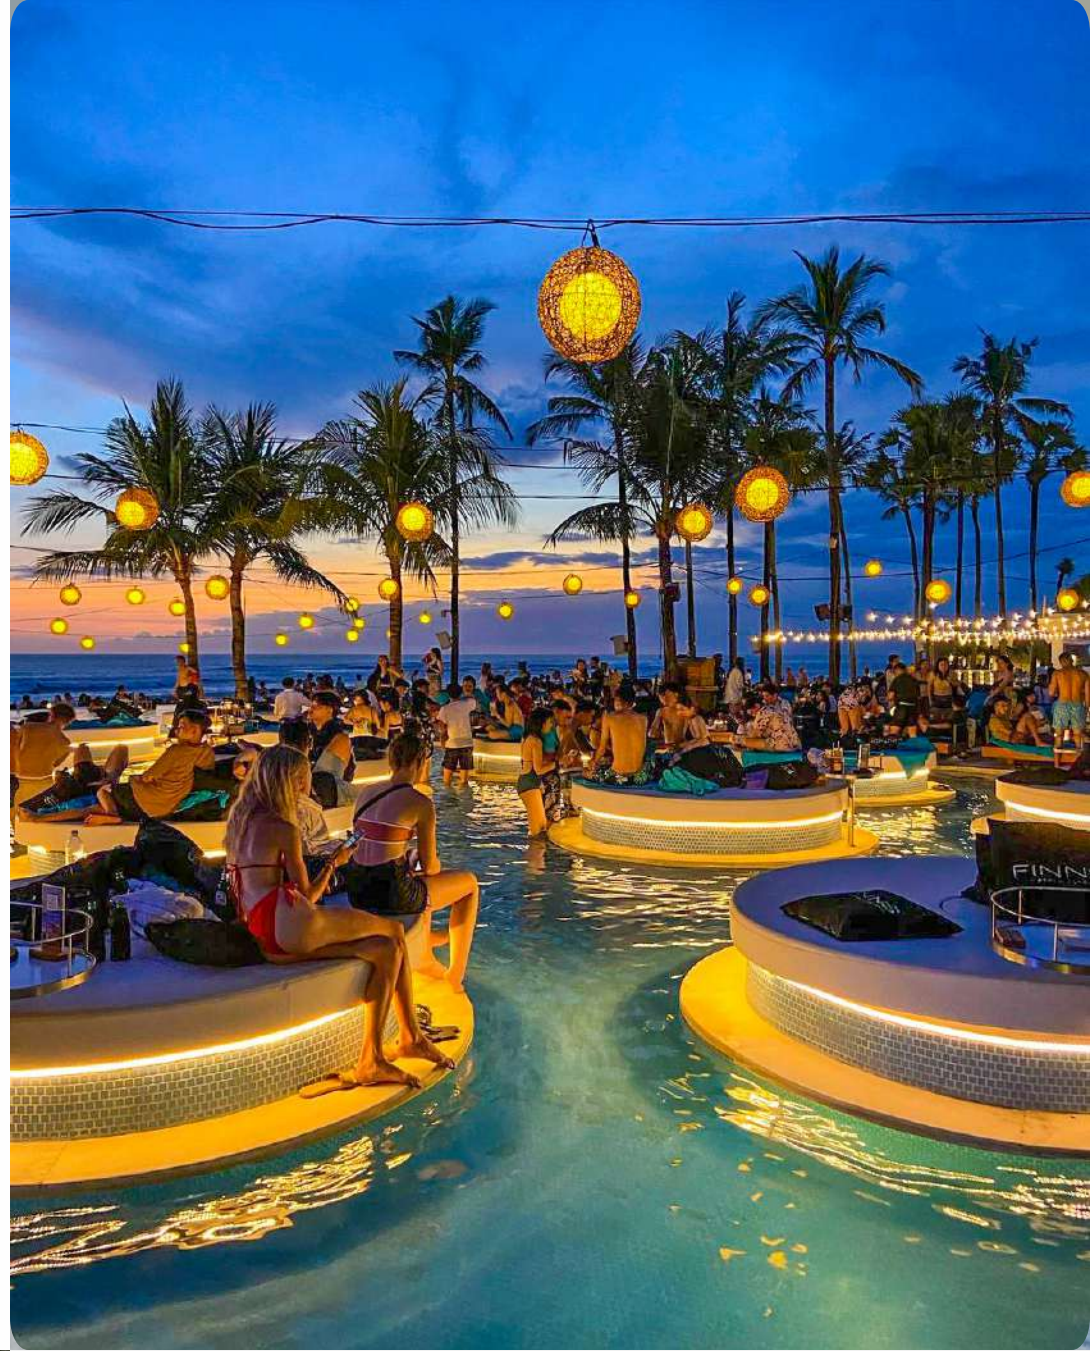

DAY 8

Until Next Time, Bali

After breakfast, it's time to check out.

We'll take our transfer to the airport for our onward journeys.

Eight days ago, we arrived here ready to explore Bali. Now, it's time to head home with memories of sunsets, beaches, island escapes, volcanic sunrises, jungle

adventures and hopefully a few new people who were strangers just a week ago. Tour ends, but the stories don't.

Started Solo, Ended with a Tribe

Apr 2025 • Solo

This was my first-ever solo trip, and now there's no looking back! Big thanks to **Firgun** for giving me the confidence to take the leap into solo travel.

Special shoutout to Prishitha, our trip captain, who made sure everyone felt engaged. Had some amazing conversations, loads of fun, never-ending nights, and absolutely wild games. The trip turned out to be unforgettable with this crazy bunch.

And yes, I can vouch for this one — "It's neither the destination,

Came for the adventure, stayed for the feels

Apr 2025 • Solo

Firgun knows how to do group travel RIGHT. This was my first time ever signing up for a solo adventure and everything felt seamless, personal, and lowkey magical.

10/10 would recommend if you want to travel, laugh, and maybe get a little too attached to souls who were mere strangers a few days ago.

Already plotting my return!

Excellent

Aug 2025 • Couples

Anany bro, hands down you're the best trip leader I've ever traveled with. I've been on so many trips with different companies and leaders, but never met someone who matched my vibe the way you did. The way you connect, understand, and make people feel at ease, it's rare and honestly priceless. 🥰

Firgun Travels is not just another travel company, it's a whole vibe. The kind of memories, the bonds, the laughs, the late-night stories, it's beyond just "sightseeing." That's why ever since I came back, I've been referring **Firgun** to everyone like crazy.

And mark my words one day when **Firgun** becomes this super big-shot travel company, please don't ever lose this magic, this essence. That raw, personal touch is what makes **Firgun** unforgettable.

Much love, loads of respect, and a big shoutout to the best bhai and the best company! ❤️ 🚀 🔥

Firgun is just 🚀❤️

Oct 2025 • Friends

Words wouldn't be enough to describe what the decision of going a trip with **Firgun** was for me. Never imagined that it could turn out so much fun, i will meet so many new people whom i can vibe with. Trip leader Kajal is so caring and supportive to everyone that we never felt like she being a leader, but felt like more of a friend to us.

And the best part with **firgun** is, all the people we met who were there in the group we mixed up so well that anyone couldn't say we all just met. Parties, drinks, roaming together was so much fun. And the trip was all worth it just because of how the itinerary was planned and everything was taken care of. **Firgun** is The Best decision of my life.
