HS Code	1513.19
Packaging	Bulk flexitank/ISO tank; 200L drums for smaller lots
Certifications	Organic (select smallholder programs), Fair for Life
Typical Export Markets	Middle East, South Asia, regional EAC/COMESA

OVERVIEW

Tanzania is cited as Africa's leading coconut producer and exporter, with production concentrated along the coastal belt and the Zanzibar/Pemba archipelago. Copra-derived coconut oil is a high-volume commodity at crude grade, with pricing tracking the global benchmark set largely by the Philippines, Indonesia, and Sri Lanka.

Pricing is available on request and confirmed against current availability and order quantity. Request a quote for this product at riftsoil.com.
