Morong, Rizal | Portfolio: <https://kldmr.framer.website/>

PROFESSIONAL SUMMARY

UI/UX Designer with professional and freelance experience designing responsive web and mobile interfaces, wireframes, interactive prototypes, and design systems. Proficient in Figma, Framer, user-centered design, responsive design, and cross-functional collaboration with developers. Computer Engineering graduate passionate about creating intuitive, accessible, and visually engaging digital experiences.

WORK EXPERIENCE

Codr

October 2025 – December 2025

UI/UX Designer | Graphic Designer

- Designed and delivered responsive landing pages that enhanced user engagement and supported marketing objectives.
- Created visually consistent and conversion-focused email designs aligned with brand guidelines.
- Designed mobile website interfaces focused on usability, accessibility, and seamless cross-device functionality.

LCWSMC (Barangay Water Provider and Cooperation)

February 2025 - December 2025

Freelance | UI/UX Designer | Front-End Developer

- Created wireframes, user flows, and prototypes to visualize and validate design concepts.
- Developed and maintained design systems to ensure consistency across all screens and components.
- Collaborated with developers to ensure accurate implementation of designs.

LVME Café

March 2025 - April 2025

Freelancer | UI/UX Designer

- Created wireframes and interactive prototypes for the ordering flow, loyalty rewards, and payment system.
- Designed intuitive interfaces for customer-facing apps (menu browsing, ordering, and checkout)
- Contributed to the visual storytelling and branding through imagery, color schemes, and typography that reflect the coffee shop's ambiance and values.

Pixel8 Web Solutions & Consultancy Inc.

June 2024 - July 2024

Internship | UI/UX Designer Team Leader

- Led a team of UI/UX designers, providing guidance on design strategy, task prioritization, and quality assurance.
- Conducted regular design reviews and mentoring sessions to ensure consistency and uphold design standards.
- Managed project timelines and delegated tasks to deliver high-quality outputs on schedule.

EDUCATION

University of Rizal System

2021-2025
