

Terms and Conditions – Used Cycle Sales

1. The bicycle or tricycle supplied (hereafter known as the 'cycle') and referred to in this contract is the cycle that is described below and refers to no other cycle/s.
2. This cycle is supplied under the condition that it is sold as a second hand, used cycle.
3. The purchaser and Friends of Pedal Power Project Ltd accept that the cycle is sold in full accordance with the Consumer Rights Act 2015.
4. The purchaser accepts that the cycle is fit for purpose and of satisfactory quality as specified in the Consumer Rights Act 2015.
5. The purchaser and Friends of Pedal Power Project Ltd agree that the cycle, at the time of sale, has been thoroughly inspected and serviced and, as far as is reasonably possible due to the nature of the goods, conform to the requirements of BS6102: Part 1 (1992)
6. The purchaser accepts that where the cycle has defects that are pointed out before sale these cannot later be used to argue the cycle is defective or unsatisfactory, as specified in Section 9 subsection 4 of the Consumer Rights Act 2015.
7. The purchaser accepts that the cycle is sold without any guarantee or warranty by Friends of Pedal Power Project Ltd, further than that which is required by the Consumer Rights Act 2015. Manufacturer guarantees are supplied and honoured by the manufacturer only and are in no way the responsibility of Friends of Pedal Power Project Ltd.
8. If the cycle is to be returned for any reason it is the responsibility of the purchaser to return the cycle to the physical location of purchase at their own cost.
9. Friends of Pedal Power Project Ltd accepts no liability whatsoever for damage to persons or property or third parties losses through use of the supplied cycle.
