

Grassroots Access Agreement

By downloading, installing, or using these fonts provided through Δeltacht Type's Grassroots Access programme, you agree to the terms below.

Commercial Use

Commercial licensing is not currently available during this trial period.

Until a commercial licensing system is introduced, our fonts may not be used for:

- Logos and brand identities
- Branding systems
- Websites and web products
- Wayfinding and signage systems
- Merchandise (intended for sale)
- Marketing and advertising campaigns

If you wish to use our fonts for any of the uses listed above, or if you believe your project sits within a commercial context, send us a message so we can find a mutual solution.

For commercial enquiries or permission requests, contact:

Fairte@deltacht-type.com

By accepting this agreement, you agree not to participate in any of the uses listed above without prior written permission from Δeltacht Type.

Ownership	All fonts remain the intellectual property of their respective designers and contributors. This agreement grants permission to use the font software but does not transfer ownership of the fonts or any associated intellectual property.
Distribution	You may not sell, redistribute, sublicense, upload, share, or otherwise distribute the font files to third parties. Anyone wishing to use the fonts must obtain access directly through Daeltacht Type.
Modification	You may not modify, rename, or create derivative versions of the font software without written permission. Converting text to outlines for design work is permitted.
Crediting	If you wish to credit the work, you can direct people to our Instagram or the font in questions web URL. Credit is optional but greatly appreciated.
Trial Period	This agreement forms part of an ongoing trial. The system may evolve as we learn from its use and continue developing a model that supports both cultural participation and long-term sustainability.
