Boost your fitness & health

Xen will learn from your wearable data and help you set realistic health goals. We are here to be your partner and cheer you from the sidelines.

Onboarding Process

1

Onboarding

When you join us, we will evaluate your current health with at-home blood test and make plans to improve your health.

2

Prevention

We will actively support you on your health journey with health coaches, fitness memberships and other classes.

3

Care

In case of you falling ill, we will help you with online doctor consultation and hospital appointments.
