ALLAH SWT & YOU

Laylatul Qadr belongs to Him.

Ramadan belongs to Him.

*Laylatul Qadr belongs to Him.
Ramadan belongs to Him.
And I belong to Him.
So to Him, I turn.*

Assalamualaikum my Champions,

As we strive to "tighten our belt" and exert ourselves a little bit more during this last stretch of Ramadan, I pray we will remember that at the end of the day, what truly, truly, truly matters is our relationship with Allah.

Hand on your heart, pause for a second and ask yourself,
"Where am I with Allah right now?"

Not where I *wish* I was.

Not where *others* seem to be.

Just.... where am I, *truly*, with Him?

These last nights are not about perfection.

They are about presence.

About returning to Him.

**And about letting everything else fall away until it's just you
and your Rabb.**

Falahitas, we will be closing our doors to the Falah Village soon, and these are the final dates for our Sessions In Sha Allah. 🥹🥹🥹🥹🥹🥹🥹 I hope I will get to see you in any one of them so I can *airdrop* a big tight virtual hug to you and bid goodbye to our blessed guest, together!

a beautiful du'a

Ya Allah,
make me a person of
Tahajjud, no matter
which season of life I
am in.

#abeautifuldua

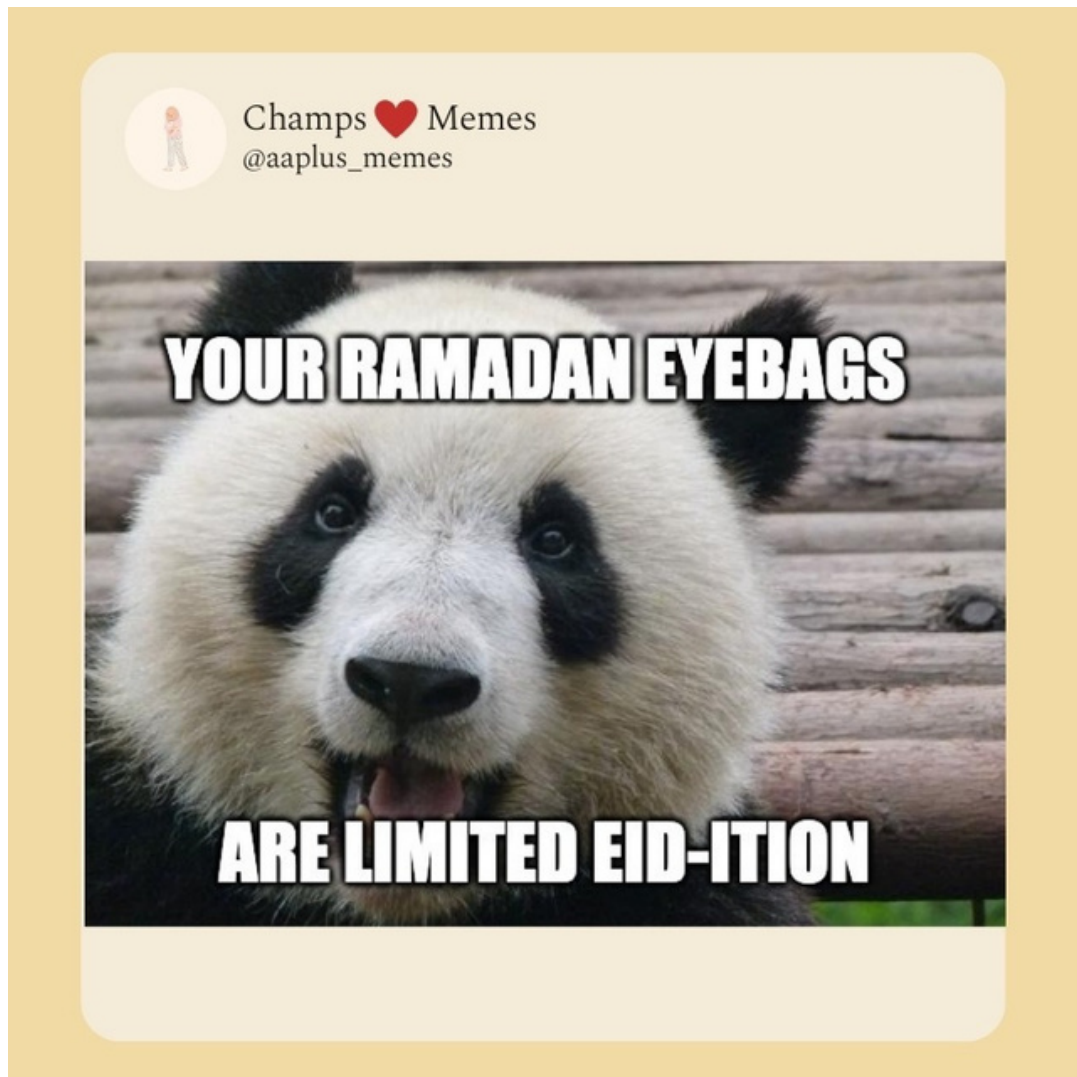

I truly resonated with this Champ's Du'a, especially since we have been having nightly Tahajjud Sessions on AA Plus in these last 10 Nights. I always have this Hadith in my heart during those sacred hours: "Allah SWT descends every night to the lowest heaven when one-third of the first part of the night is over and says: I am the Lord; I am the Lord: **who is there to supplicate Me so that I answer him? Who is there to beg of Me so that I grant him? Who is there to beg forgiveness from Me so that I forgive him? He continues like this till the day breaks.**" ([Muslim](#))

May we always seize this blessed invitation to turn to Him,
pouring out our hearts knowing that He has descended nearer
to us!! **#goosebumps** PS: I'm sharing the Dua Prompts
that we've been using during our Tahajud Calls, feel free to
share them with your loved ones!

I was speaking to a dear friend yesterday, and since she hasn't seen me in a while, she asked if we could video call. I warned her saying, "All you'll see is my Ramadan eyebags," and she joyfully replied, "Your Ramadan Eyebags are Limited *Eid*-ition" and I am still smiling thinking about it! 💖 To all my fellow eyebag warriors, may Allah SWT accept our late nights for His sake!

to ponder

Ustazah 'Alima mentioned a very cute but very effective analogy during her Session with us last week when she said, **"Keeping and maintaining the Sunnah acts are like our spiritual 'bubble wrap', as it gives us extra protection so that we don't hurt ourselves in this Dunia!"** I was sitting with this idea for a while, as it feels so gentle but so necessary! I asked myself, "What Sunnah acts will be my spiritual bubble-wrap post, Ramadan?" Alhamdulillah, I believe I have a rough idea, and I am excited to think about refine it further during our journaling session this Friday, In Sha Allah!

champs library

Champs, just in case you missed our very first Quran-centred Card Game - **The Quran Quest** - here is a reminder that it is up in our Champs Library in all its glory! So many of you have already shared how you're playing it with friends, family, and even the little ones, and it's truly melting our hearts. 💙 We poured so much love into creating this, and Alhamdulillah, it's sparking joy and opening up conversations about the Quran in homes, workspaces and in gatherings! PS: Feel free to share it far and wide, Champs! It could even be a great Eid game!

ps:

This is the final call for our annual AA x Nisa Charity drive, where we raise funds to offer consistent, dignified support to vulnerable women, the elderly and widows here in Morocco. Every dollar truly goes a long way (I know every fundraiser says this, but it is 10000000% true - Allah SWT truly pour barakah in our charity, Subhanallah!) and if you are looking for a meaningful cause to contribute to in these blessed last 10 nights, I hope you'll consider us. Quoting Lalla Safiya, one of the elderly we are so honoured to help:

"This money that you give stops me from begging and upholds my dignity."
