The Loft, the floating floor above the Foyer, is a charming space with a central bar and a panoramic view over the IJ river.

The space can be fully customized to suit your needs, whether you are hosting a sit-down dinner, reception or a party with a stage and dance floor. The Loft is also great for hosting plenary sessions with smaller groups or for break outs.

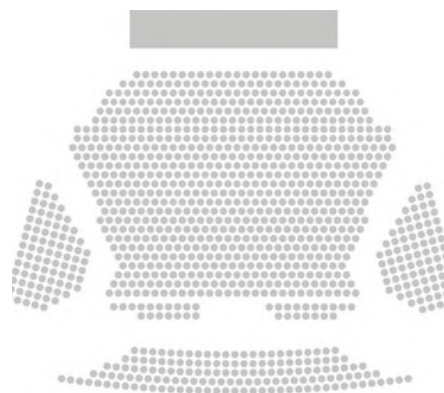

The Loft is available as a standalone option or in conjunction with the Foyer for additional space.

Auditorium

The impressive Auditorium with a 500 m² hemisphere projection screen, high-quality projectors and a sophisticated sound system, offers endless possibilities to organize your own event. Unique are the 180 degrees round movable projection screens, with a total of 500 square metres projection. The projection screen can open, granting the audience direct access to the Blackbox for a dinner, party or festival.

Our in-house team of specialists is at your service to inform you about the variety of possibilities of our fully equipped Auditorium for your event.

The Blackbox is a true hidden gem, located behind the big projection screens of the Auditorium. With the help of our trusted furnishing and decoration partners, this 1.200 m² space can easily be transformed to meet your needs.

A versatile space, perfect for upscale dinners where guests are seated at nicely set tables or for walking dinners where guests can grab delicious dishes at food trucks and decorated buffets in a festival atmosphere. The Blackbox can be furnished and decorated to your own wishes, where you can also create an extraordinary party, show floor or exhibition. Pair it with a show in the Auditorium for a complete experience!

THEATERAMSTERDAM

More than just an event location

Full service approach

At Theater Amsterdam we have all the knowledge, expertise and connections to completely unburden you. Let us take care of the details, from catering to AV and from decoration to branding.

We would be happy to discuss the possibilities with you.

Branding

AV

The Auditorium is the centerpiece of the theater and boasts cutting-edge technology. With a massive 50 meters wide and 10 meters high projection screen, you can showcase your message in a breathtaking manner, utilizing five high-performance projectors.

This versatile space, with its top-notch technical facilities, can accommodate a range of events, from award shows and conferences to product presentations to staff parties.

Catering De Borrelfabriek

No successful event without good catering!

Surprise your guests with elegant, easily eatable bites or one of our sturdy chopping blocks, true tastings on wheels. Dinners are also part of our expertise: from festival style walking dinners with on-demand preparation in food trucks to a high end multi-course sitdown dinner, we make every catering moment a memorable experience. Our catering is tasty, high quality, sustainable and at the same time creative, versatile and out of the box.

Our in-house caterer De Borrelfabriek exclusively provides catering at our location and has years of experience in top quality, tasty (concept) catering. With know-how and expertise and especially love for food, De Borrelfabriek takes care of the icing of the cake of your event. Chef Daniël Braun and his team provide catering with a twist at a high level, up to 1.500 guests. Come and see for yourself!

Furnishing & Decoration

Furnishing and decoration provides the overall ambiance of your event. Theater Amsterdam has contemporary furniture that can be used in the Foyer and the Loft. In case you have a preference for a specific style, we would love to advise you and make it happen.

The 1.200 m² Blackbox comes without decoration. This gives you the opportunity to fully customise this versatile area and transform it according to your wishes.

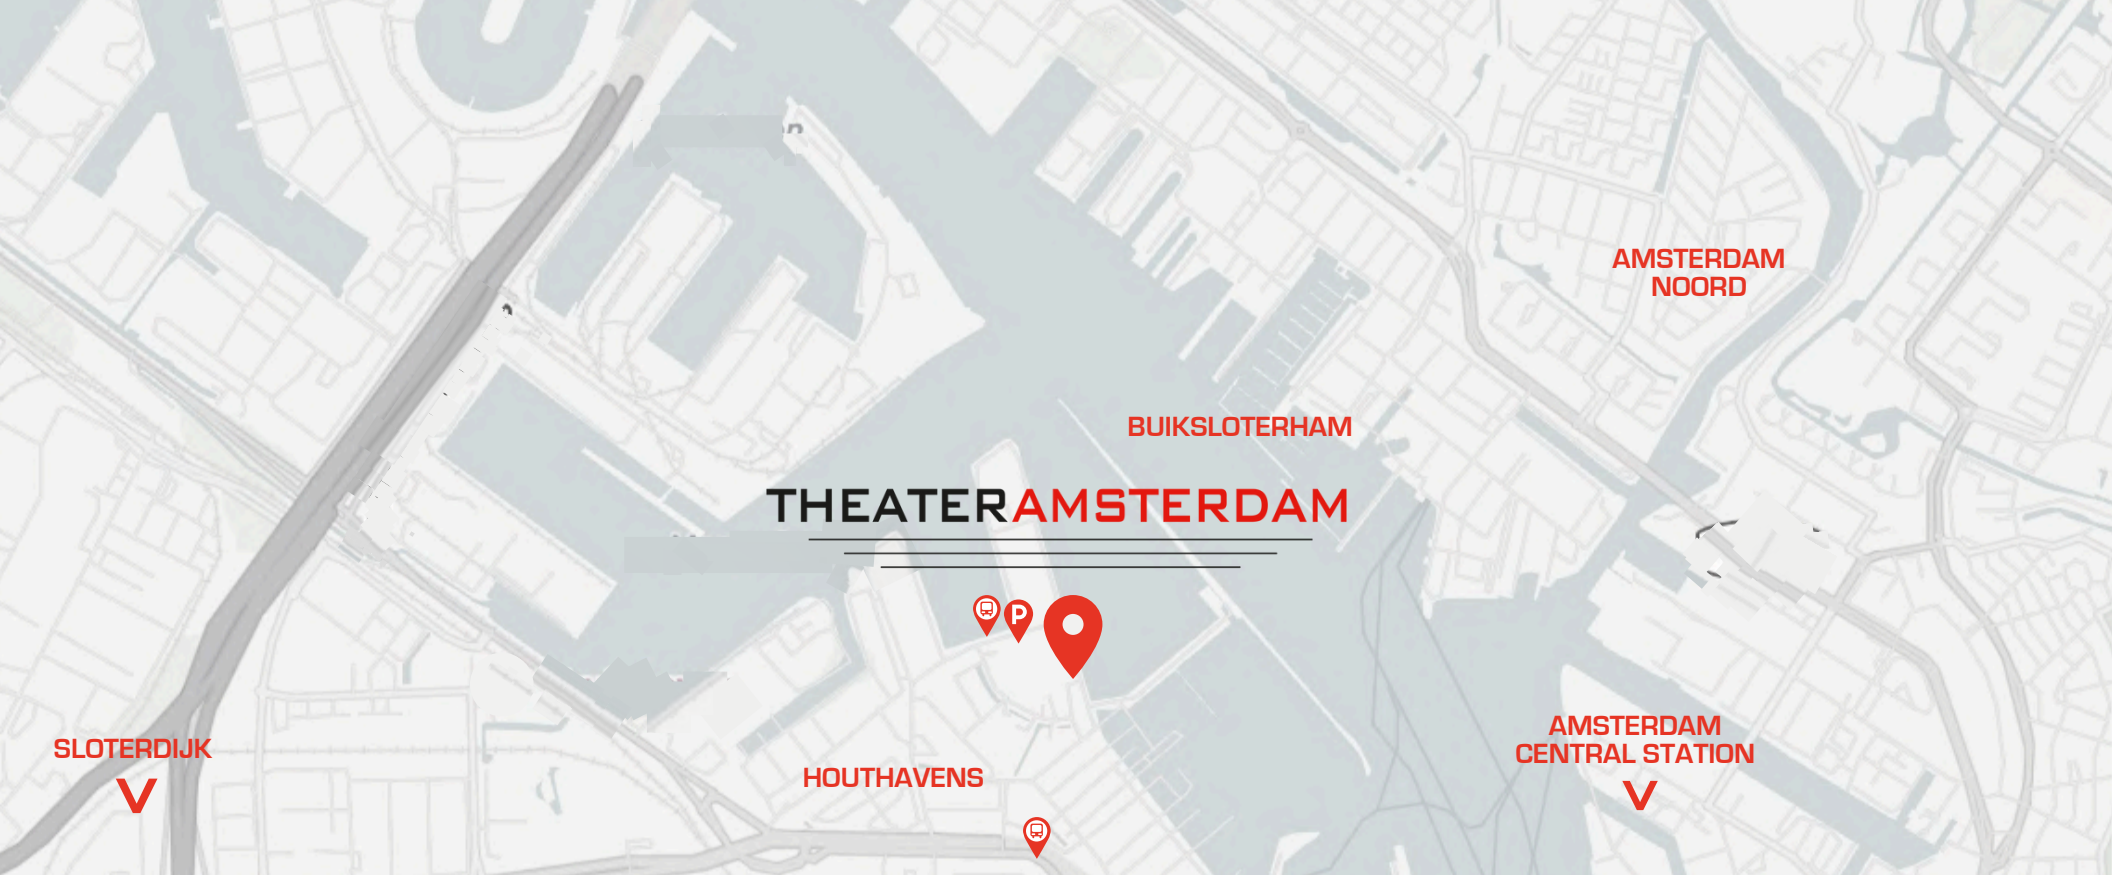

Branding

Theater Amsterdam is a unique event location for putting your brand in the spotlights. From the entrance, to the doors, stairs, and bars, almost every aspect of the venue can be decorated and branded to your liking.

Want to go that extra mile? We can even ensure that your branding is included in the presentation of the catering.

Do you want to learn more about the branding opportunities for your event? Our team would be delighted to get you in touch with our branding partner [Brand Your Event](#).
