Concise Description of the Contracts and Analysis of Compliance with the Commodity Exchange Act, Core Principles, and Commission Regulations

I. Introduction

The Contracts are binary event contracts relating to the performance of designated competitors in National Collegiate Athletic Association Football events.¹ Each Contract settles in cash with a notional value of \$1.00. A Contract resolves “Yes” if: the designated competitor wins the referenced event. The full contract terms and conditions are set out in Appendix A.

Pursuant to Section 5c(c)(1) of the Act and Commission Regulation 40.2(d), ProphetX certifies that the listing of the Contracts complies with the Act and the Commission’s regulations thereunder. A Core Principle compliance analysis is included in Confidential Appendix C. A demonstration of compliance with Appendix C to Part 38 of the Commission’s regulations, including the occurrence integrity assessment, settlement methodology verification, conclusion statement, and supporting documentation, is included in Confidential Appendix D.

II. General Contract Terms

Each Contract has a \$1.00 notional value and a \$0.01 minimum price fluctuation. Contracts may only be listed at prices between \$0.01 and \$0.99. The payout structure is binary: the “Yes” side of an in-the-money Contract receives \$1.00 at settlement; the “No” side receives nothing. All Contracts are fully collateralized: no Market Participant may hold a position that creates an exposure in excess of funds on deposit in its Exchange account, consistent with Rule 4.13 of the Rulebook. Trading is available outside of announced maintenance windows. Fees are assessed in accordance with Rule 3.6 of the Rulebook.

Settlement is determined from the official result of the referenced event as published by the Settlement Reference Source. Markets are settled after the close of trading once that result is available, with “Yes” position holders and “No” position holders paid in accordance with the applicable Payout Criterion.

¹ The Contracts have not been endorsed by the National Collegiate Athletic Association, any athletic conference, or any member institution. The use of the name “National Collegiate Athletic Association” is solely for the purpose of identifying the underlying events.
