Early Years of Schooling Handbook

2025

PRINCIPAL'S ADDRESS

Welcome to Coolbinia Primary School and in particular to our Early Learning Centre. This is an exciting time for you and your child as they embark on their journey into schooling. Together, you have many wonderful moments ahead of you to cherish, and possibly some challenging ones too, as you support your child at school.

The Early Years of schooling are vital. It is a pleasure to watch children learn as they happily explore, play and investigate in an environment that is both stimulating and motivating. At this age their minds are so open and inquisitive and they take such great pleasure in learning.

Attendance is critical for optimal learning. Please ensure your child arrives on time and attends every school day (unless they are ill). We strongly encourage your child to wear our Coolbinia School Uniform.

At Coolbinia Primary School we believe that fundamental to effective learning is a strong, positive partnership between school and families. We welcome your involvement in the school. We encourage you to become actively involved by volunteering to help out in the classroom, participating in school activities and decision-making groups such as the P & C and School Board.

At Coolbinia Primary School, our decisions are made with our students' wellbeing foremost in mind and with their best interests at heart. We place children first and we are deeply committed to providing your child with the very best possible start to their schooling.

The Early Years of Schooling Handbook is designed to provide you with information about our school as well as tips and ideas on how you can support your child in their first years of schooling.

Once again, I am delighted to welcome you and your child to our school. We look forward to working with both you and your child throughout the school year. If you have any questions or concerns about your child's educational program, please feel free to contact your child's teacher or a school leader. Our doors are always open and we welcome the opportunity to hear from you.

TERM PERMISSION SLIPS FOR INCURSIONS AND EXCURSIONS

It is essential you provide your teacher with permission by completing a permission form or the school online form (sent out at the start of every Term) for any upcoming events and make payments prior to the event to ensure your child's involvement.

SAFETY BEFORE AND AFTER SCHOOL

We strongly encourage parents to drop children off directly to their classroom in the morning and leave the school grounds promptly at the end of the day. Children are NOT permitted to play on the playground equipment before or after school. This is a school policy related to duty of care that is supported by the School Board.

ATTENDANCE

Kindergarten children will attend two consecutive days per week and every second Wednesday. We strongly encourage attendance in Kindergarten to ensure children continue to build upon their knowledge and skills sequentially and so that their social networks become predictable, supportive and positive. Regular attendance allows your child to maximise their opportunity to learn and to be a valued member of a stable class community. Please inform the school of your child's absence via **SMS** on **0418 911 341** or the classroom teacher by email or a written note.

Pre-Primary is your son/daughter's first compulsory year of schooling. Children are required to attend daily during the school term. The school must be informed if your child is absent via **SMS** on **0418 911 341** or by emailing or providing a written note to the classroom teacher. An attendance check is completed by 9:30am each morning. If the school is not informed of an absence by this time, you will receive an SMS from the school.

We strongly discourage holidays to be planned for and taken during school terms. Holidays are not considered an acceptable reason for absence. You will be informed in writing if your child's absences exceed reasonable expectations.

DELIVERING AND COLLECTING CHILDREN

Children should not arrive at school before 8:20am and are requested to please leave the school premises promptly after being dismissed at 2.50pm.

The school has a Kiss and Drive facility for children in Years 1-6 only. A link on how this service can be found is on our website. <http://coolbiniaps.wa.edu.au/information/enrolments/>

Please endeavor to deliver and collect your child on time to avoid distress. If you know you will be late to pick up your child at the end of the day, please phone the office (9444 3798) and a message will be forwarded on to your child's teacher. Please inform the teacher if someone other than a nominated care provider on your child's enrolment form will be collecting your child.

If you need to collect your child during school time, please visit the school reception, where you will be issued with a student release form (yellow slip). This is handed to your child's teacher when you pick them up from their classroom.

COOLBINIA OUT OF SCHOOL CARE (COSCA) – CAMP AUSTRALIA

COSCA - managed by Camp Australia - operates Monday to Friday, **7.00 am - 8.30 am** and **2.45pm – 6.00pm**, during the school term. We also have a Vacation Care program and operate on pupil free days whenever possible (this is dependent on number of enrolments) **7am-6pm**. To enrol and make bookings, please register online at Camp Australia's website, www.campaustralia.com.au or call the Customer Care team on 1300 105 343.

Further information regarding COSCA is available on the Coolbinia Primary School Website. Please inform your child's teacher of the days you are using these services. Camp Australia team members deliver children in Kindergarten and Pre-primary to their classrooms in the mornings and pickup children after school. We welcome your visits and enquiries prior to your child attending, so please do drop by to say hello and familiarise yourself with the service, team and routines. Looking forward to meeting you soon!

CLASSROOM PRACTICES

Birthdays – We enjoy taking part in your son/daughter’s celebrations and will acknowledge their special days in the classroom. We ask parents not to bring in lollies, gifts, chocolate or cakes.

Toys/Jewellery – Children often like to bring in special personal items from home to show their friends. We ask parents to consider the distress that can be caused by items being lost or damaged and encourage children to keep their special items safe at home.

Laundry – Teachers will post a roster for families to volunteer to take home the laundry. Items may include hand towels, tea towels and art smocks.

Family help roster – The Kindergarten/PP help roster, where we ask parents to volunteer as the class helper for a day will begin in Term Two. This provides Term One for children to settle into their routines and become familiar with their new learning environment.

Library – All Pre-primary and Kindergarten children will require a library bag. Children will borrow books from the school Resource Centre each week on their allocated day. Teachers will inform families of their library days once they have been allocated. Children must have a bag to borrow a book and are responsible for returning their books each week.

Home Reading – Pre-primary children will bring home “readers” as soon as possible. Before sending readers home we strongly encourage parents to attend one of our parent information sessions that will outline how the programmes work and strategies to support young readers. Parents will be given information about these sessions during the Parent Information Evening in Term One.

Swimming - Pre-primary children will participate in swimming lessons in Term One at Terry Tyzack Aquatic Centre. Swimming is a compulsory component of our sport programme.

Pre-Primary On Entry Testing - All Pre-primary children will be involved in State-wide literacy and numeracy testing in the middle of Term One. Teachers will provide feedback to parents after testing is finalised.

WHAT TO BRING

- ✓ **A LARGE SCHOOL BAG** - Each child requires a roomy bag approximately 50 cm square, clearly named. This needs to be large enough to hold a lunch box, a hat, a jumper, a change of clothes (accidents happen), shoes and socks, a drink bottle and any work to be brought home each day.
- ✓ **WATER BOTTLE** – This is kept in the classroom so children have access to drinking water at all times. Please clearly label the bottle with your child’s name.
- ✓ **CRUNCH ‘N SIP** – Each session includes snack time, where fruit or raw vegetables are pre-cut and placed in a separate container to be eaten throughout the day. See about Crunch ‘n Sip on the school website.
- ✓ **RECESS** – Children require a healthy snack for morning tea which is kept in their lunchbox. Initially you may like to label and or separate your child’s recess from their lunch until they become familiar with our eating routine. Please, **do not** include nuts or nut based spreads, in your child’s lunchbox. **Our school is Allergy Aware, with respect to students who suffer allergies to these products. For more information please see our Anaphylaxis Guidelines on the school website.**
- ✓ **LUNCH** - Please clearly label all containers. Heating and cooking facilities are not available for children’s lunches. Children may order lunch from the School Canteen. Please see our school website for the [Canteen Menu](#). **Sustainability is a priority at Coolbinia Primary School and we strongly encourage a waste free lunch box.** Please limit disposable wrappings wherever possible.

Choosing items from each of the five food groups will give children all the nutrition they need to play and to learn for the whole school day. Download the [ABCD flyer](#) to help make this task a little easier.

- ✓ **CLOTHING** - We encourage all children to wear our school uniform. Please provide a spare set of labelled clothing including underwear in your child’s bag at all times. Children who have an accident or are wet are changed into a spare set of clothing.
- ✓ **SHOES** – Children require appropriate shoes to participate in daily fitness activities. Shoes that slip off easily are unsafe. If your child is unable to tie their own laces we recommend shoes with Velcro straps. Crocs, thongs and boots can be unsafe and inhibit free movement during outdoor play. Sneakers and sandals are encouraged.
- ✓ **A BROAD BRIMMED HAT** – This is a compulsory item. A “No Hat, No Play” rule applies across the whole school (hats are available from the uniform shop).
- ✓ **SUNSCREEN** – We ask parents to apply sunscreen at home before school.
- ✓ **A LIBRARY BAG** – Students need a library bag. These are available from the uniform shop.

- ✓ **PERSONAL REQUIREMENTS** – Booklist items should be purchased prior to starting school.

PLEASE CLEARLY LABEL ALL ITEMS OF CLOTHING

THE FIRST DAY AT SCHOOL

It is of utmost importance to us that your child's first experience at school is a positive one.

Kindy and Pre-primary children will commence a full time programme from the first day of term. You are invited to stay with your child until their classroom learning programme begins. This is an important time where children can share their learning with their family and feels safe and secure in their new learning environment. During this morning transition teachers are available to parents to pass on information or ask general questions.

On your first day, please bring in **all** items listed on the Booklist. Please include your child's name on the box or bag containing your items.

PROMOTING INDEPENDENCE

Childhood is a time of increasing independence. Independence contributes to the development of self-esteem, identity and wellbeing. Doing something "by yourself" produces a powerful sense of achievement and success. When children have opportunities to make choices, to attempt tasks for themselves, and to take on increasing responsibilities, their sense of themselves as competent members of society grows. Here are some tips to provide opportunities for your child to develop independence:

- ◆ Develop daily routines and encourage children to assist in tasks such as packing their school bag, making their breakfast and unpacking their school bag on arrival to school
- ◆ Allowing your child to have age appropriate responsibilities at home, for example; setting the dinner table, sweeping the floor, putting toys away, dressing themselves, putting shoes on, tying up shoelaces and making their breakfast
- ◆ Giving children opportunities to make their own choices such as selecting their own clothes, choosing between two tasks/activities
- ◆ Remembering their classroom belongings, for example; library bag, home reader, hat, water bottle and lunch box
- ◆ Encourage children to promote self-help skills in daily routine tasks, such as; going to the toilet, following their classroom agreements, dressing themselves, packing away and asking for help
- ◆ Provide opportunities for children to attempt tasks before offering your assistance

EARLY INTERVENTION

We strongly believe in early intervention to support the cognitive, social and physical development of all children. If there is a need to refer children to specialists e.g. Speech Pathologist, Occupational Therapist, Physiotherapist, Paediatrician or Psychologist, teachers will

make an appointment with parents to discuss their concerns. We strongly encourage parents to act immediately on referrals to reduce the impact on your child's learning.

HEALTH SERVICES

Coolbinia Primary School has a range of professionals that provide services to maintain the health and wellbeing of children, including:

- ◆ A registered school nurse who makes visits to the school to carry out scheduled health checks. During the year our nurse will complete a health check for all Kindergarten children. Parents will be given a parent questionnaire and consent form to complete prior to the nurse's visit.
- ◆ Children will have access the Mount Lawley Dental Clinic. They begin their dental visits in Pre-primary and parents will be sent consent forms prior to their initial consultation.
- ◆ Our School Psychologist is at school one day a week and provides a number of services to support teachers and students in the school setting. A referral needs to be made through the SAER Leader of our school.

TRIPLE P PARENTING RESOURCES

Beginning school can occasionally be an overwhelming experience for young children and their families. As children grow older and are exposed to new experiences, their behaviour may shift and at times become challenging. Our School Nurse facilitates the Triple P Positive Parenting Programme throughout the year to provide practical strategies for managing behaviour and to assist in building strong healthy relationships.

MEDICATION

In accordance with Department of Education policy, staff are unable to administer medication without written consent. If your child requires medication, ideally carers should come to the school to give the correct dosage. If this is not possible, a 'Consent to Administer Medication' form should be completed should a staff member (who is not obliged), need to give medication. Children are **not allowed** to self-administer medication. For children who have ongoing medical needs, a 'Health Care Medical Action Plan' will need to be developed in consultation with relevant health specialists and then the plan will be approved by either Jayne Conley (Principal) or Debra Holland (Associate Principal) and made available to all staff in the school.

ACCIDENTS AND ILLNESS

If a child is hurt during the day or is feeling unwell, teaching staff will contact you or a designated name given to collect the child. You will receive a 'Medical Intervention Form' that will provide information regarding the incident and the treatment your child received whilst at school.

HEAD LICE

If you know that your son/daughter has head lice, please ensure that their hair is treated and eggs removed before returning to school. Please inform the class teacher so that other families can be alerted to check their son/daughter's hair. This will help in preventing the spread of head

lice throughout the class. For more information please see:

http://www.health.wa.gov.au/docreg/Education/Diseases/Communicable/Parasitic/HP0149_headlice_FS.pdf

ALLERGIES

Coolbinia Primary School is an **ALLERGY AWARE** school. Several of our students have severe food allergies and we strongly encourage all families to support our endeavours to provide a safe environment by minimising the risk of allergic reactions. We would appreciate that foods containing nuts are not included in lunch boxes. These allergic reactions can be life threatening. Your support is greatly appreciated.

For your information the following are the exclusion periods of common infectious diseases.

There is a wealth of literature available on the [Education Department of WA website](#). Providing information and strategies to help your support your child's learning from the early years through to high school.

What Did You Do Today?

When children come home at the end of the day.
The question they're asked as they scurry to play is,
"Tell me what you did today?"

And the answer they give makes you sigh with dismay.

"Nothing, I did nothing today!"

Perhaps nothing means that I played with blocks,

Or counted to ten, or sorted some rocks.

Maybe I painted a picture of red and blue

Or heard a story of a mouse that flew.

Maybe I watched a rabbit eat today,

Or went outside on the swings to play.

Maybe today was the very first time,

That my scissors followed a very straight line.

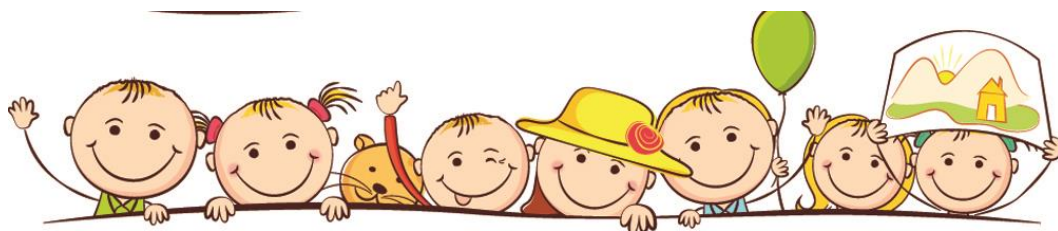

Maybe I sang a song from beginning to end,

Or played with a special brand new friend.

When you're in pre-school and your heart has wings

"Nothing" can mean so many things!!
