

Hubert Wojnowski, Web Designer

Official Framer Expert. I design in Figma and build in Framer myself, from the first grid to a live site. I care about typography and detail, and I work AI-native with Claude Code.

EXPERIENCE

02

2024.06 - Present

Freelance Web Designer

Design in Figma, build in Framer, CMS, SEO and launch, with a handover so clients can publish on their own.

Optimum Consulting 2026

Website and CMS knowledge base

marekwojnowski.eu 2024, 2026

Consultant site with an article CMS

2026.04 - Present
