

ONDREJ MACHACEK

INDUSTRIAL DESIGNER

I am a 4th-year Industrial Design student at VSB-TUO and a scholarship holder of Czechoslovak Group (CSG). I have practical experience in product, furniture, interior and graphic design, supported by professional internships at Vdekor interior design studio, UMPRUM sculpture studio and PUREST studio in Vienna. Thanks to extensive work experience outside my field, I also possess a strong work ethic, high responsibility and communication skills. I am looking for a position where I can apply my creative thinking, sense for materials and eagerness for continuous growth.
