M SERIES

M SERIES CLOCK

More than just a telephone, M Series is available in analog, VoIP, corded and cordless configurations with USB charging ports on both the phone and RediDock remote handset kit. Choose M Series Clock or optional Bluetooth integration on analog corded models.

PREMIUM SOUND SYSTEM

A complete hotel phone family. Choose analog, VoIP, corded, or cordless configurations.

D SERIES

How do you improve upon Diamond Series, the most popular hotel phone in the world for 33 years running? We began with a fresh new contemporary design, robust ergonomic open handset, and guest smart device USB charging ports, but maintained the same Diamond faceplate area.

DIAMOND SERIES

USB CHARGING PORTS

ONETOUCH VOICE MAIL

ERGONOMIC HANDSET

THE PHONE THAT STARTED IT ALL. OVER 5 MILLION IN SERVICE WORLDWIDE. WORLD'S MOST POPULAR HOTEL PHONE.

E SERIES

Amazingly big on features, yet surprisingly small in size. E Series phones are 40% smaller than standard guest room telephones, creating an entirely new category in hotel telephone design. E Series flat panel, compact style adds a touch of elegance to any room without compromising functionality.

USB CHARGING PORTS ON REMOTE HANDSET KIT

THE TELEDEX BRAND

ACCEPT NO SUBSTITUTES.

In 1982, Teledex invented the very first hotel telephone. Since then, more than 15 million Teledex hotel phones have been installed in 125 countries, making Teledex the most recognized, trusted, and preferred hotel telephone brand in the world. While others may copy Teledex style, they can't copy Teledex innovation or quality. Or Teledex history.
