## Experience

### Impact Hub Ankara Product Designer

On-site  
June 2025- June 2026

- Drive concept development, execute product forms, and generate production-ready data to deliver manufacturing-ready solutions across the product lifecycle; owned design and prototyping for the initiative's core product collections, enabling the social enterprise to streamline workflows and scale local manufacturing.
- Conceptualize and produce impactful marketing content for websites, blogs, and social media campaigns
- Integrate AI workflows using Figma Make, Claude, Gemini, and V0 to support research synthesis, creative ideation, UX writing, and conceptual design exploration to maximize design efficiency

### Sonixpace Graduation Project

February 2025-July 2025

- Developed a product-service system named Synrise with Sonixpace, dedicated to developing innovative hardware and software solutions for immersive 3D audio experiences. Collaborated with Sonixpace's UX and UI teams for 6 months, participating in weekly revision sessions from the initial user research phase through to the final product-service system. Combining immersive 3D audio technology with a thoughtfully designed interface, the 3D Sound System delivers a seamless and engaging audio experience for users.

### BACA Engineering Production Intern

July 2023-August 2023

- Focused on the reverse engineering and CAD modeling of defense industry components. Gained hands-on experience in translating physical parts into precise digital data, analyzing complex geometries, and optimizing models for advanced production workflows

### Elementary Workshop Production Intern

July 2022-August 2022

- Gained hands-on experience in both physical fabrication cycles and the UX/UI design processes of a mobile application, acquiring deep insights into how physical products and digital service ecosystems are integrated

## Education

### Middle East Technical University, Industrial Design (2021-2025)

BSc in Industrial Design  
100% Scholarship Holder

**Baku Turkish Anatolian High School (2016-2020)**

Graduated as Honor Student

**Scholastic Aptitude Test (SAT) (2020)**

1420/1600 Score

**References****Duygu Vatan**

Co-Founder/Senior Designer, Impact Hub Ankara

Email: [duygu.vatan@impacthub.net](mailto:duygu.vatan@impacthub.net)

Note: Duygu is the Co-Founder and Senior Product Designer I worked with at Impact Hub Ankara.

**Berivan Elis**

Co-Founder, Impact Hub Ankara
