Work Experience

ABC Company UX Design Intern

JAN 2023 - PRESENT

- Conducted user research and analyzed data to identify design opportunities and inform design decisions
- Collaborated with cross-functional teams to create wireframes, prototypes, and high-fidelity mockups
- Facilitated design reviews and user testing sessions to gather feedback and improve design solutions

XYZ Project Freelance Designer

JUNE 2022 - DEC 2022

- Designed wireframes, prototypes, and visual designs for mobile and web-based products
- Conducted usability testing and iterated on design solutions based on user feedback
- Collaborated with developers to ensure that designs were accurately implemented and met accessibility standards

Education

University of Design BSc(HCI)

JUNE 2018- JUNE 2022

- Relevant coursework: Interaction Design, User-Centered Design, Design Thinking, Information Architecture, and User Research
- Completed a capstone project on designing a mobile app for promoting sustainability in the community.

School of Design UX Design Bootcamp

JAN 2023 - FEB 2023

- Intensive, full-time program that provided hands-on training in user-centered design, prototyping, and visual design
- Completed several design projects, including designing a mobile app for mental health, a website for a local non-profit, and an e-commerce platform for a start-up
