

Kenya Avocado Oil

Cold-pressed extra virgin avocado oil, converting Kenya's Hass surplus into a shelf-stable, higher-value food- and cosmetic-grade product.

QUICK FACTS

Country of Origin	Kenya
Growing Region	Murang'a, Kiambu, Nakuru
Processing	Cold-pressed, mechanical extraction below 45°C
Harvest Season	Year-round; tied to avocado peak Mar–Aug
Available Grades	Food-grade extra virgin; cosmetic-grade crude/refined
Typical Lead Time	Confirmed per order

SPECIFICATION

HS Code	1515.90
Packaging	200L drums / 1,000L IBC totes (bulk); retail-ready glass bottles available
Certifications	Organic, Kosher, HACCP/ISO 22000
Typical Export Markets	EU (food & cosmetics), USA, Middle East

OVERVIEW

Kenya's avocado sector produces a meaningful volume of fruit that doesn't meet the strict cosmetic standards required for fresh export. Cold-pressed avocado oil converts that surplus into a shelf-stable, higher-value product — industry pricing commentary places pressed oil at up to four times the value of the raw fruit input.

Pricing is available on request and confirmed against current availability and order quantity. Request a quote for this product at riftsoil.com.
