WORK EXPERIENCE

Senior UX/UI Designer

Simpligov.com Dec 2021 — Present
US

- Here I am working as a UX/UI designer in a company.

The company provides a service of workflow automation, digital forms, and electronic signature platform designed to help modernize and digitize the public sector.

Senior UX/UI Designer

Minimalart.co Dec 2020 — May 2021
Buenos Aires

- Here I was involved in a design department and joining to

multi companies team dedicated to Grupo Arcor projects, this last one was mainly UX Design, Auditions, Weak Points etc. Others tasks were related, UI and Front-end integrations (WordPress all of them).

Senior UX/UI Designer

CorporateCentral.com Jun 2012 — Aug 2020
US

- I worked for CorporateCentral.com; a company specialized in administrative

software, allows you to create your own forms (with logic formulas) on the web -admin side- and reflects them in the mobile and web apps -user side- This company also ventures into vehicle tracking and IOT for android and iOS. It is located in the USA, I worked remotely from BsAs. My tasks were all those that involve a Designer: UX, UI, Front-end, setup and maintenance of webs, creating ads (promotion) or explanatory videos ect.

Art Manager, UX/UI Designer

Beapp.net Jun 2010 — Aug 2012
