Terms governing Academy courses, workshops and training

Website: saturdaynailsandlashacademy.com

1. Enrolment

These Terms apply to all students enrolling in courses, workshops or training programmes offered by Saturday Nails & Lash Academy.

Enrolment becomes effective once the Academy has accepted the student's booking and any required payment has been received.

2. Course Fees

Course fees must be paid according to the payment schedule communicated by the Academy.

The Academy may require full or partial payment before participation.

Course materials, examination fees, kits, products, models or other items are included only where expressly stated in the course description or enrolment agreement.

3. Course Cancellation and Rescheduling

The Academy may establish reasonable cancellation and rescheduling conditions for each course. These conditions will be communicated before enrolment.

The Academy may reschedule training where reasonably necessary because of instructor availability, operational circumstances, safety issues, government restrictions or other circumstances outside its reasonable control.

Where the Academy cancels a course and cannot provide a reasonable alternative, applicable payments will be handled in accordance with Thai law and the specific enrolment terms.

4. Attendance

Students are responsible for attending scheduled training sessions.

Late arrival or absence may result in missed training content.

The Academy is not required to repeat an entire lesson solely because a student was absent, unless otherwise agreed.

Additional training or replacement sessions may be subject to an additional fee.

5. Student Conduct

Students must behave professionally and respectfully toward instructors, other students, clients, models and Academy staff.

The Academy may suspend or terminate participation where a student engages in serious misconduct, including harassment, threats, violence, theft, intentional property damage or repeated serious disruption.

6. Hygiene and Safety

Students must follow all reasonable hygiene and safety procedures.

The Academy may stop a student from performing a procedure if the instructor reasonably considers that the procedure is unsafe or that the student is not sufficiently prepared.

Students may be required to use appropriate protective equipment and comply with sanitation procedures.

7. Models and Clients

Where students practise on models or clients, the student must follow the instructor's instructions.

Students must not independently perform procedures outside the permitted scope of their training.

The Academy may intervene or stop a procedure where reasonably necessary for safety or quality reasons.

8. Course Materials

All Academy-provided manuals, training documents, videos, demonstrations, templates, diagrams, teaching methods, course structures, written materials and digital materials remain protected intellectual property of the Academy or relevant rights holder.

Students may use materials for their own educational purposes but may not, without written permission, copy, reproduce, upload publicly, sell, distribute, teach the Academy's course using the materials, or create competing course materials substantially based on them.

9. Recording Training

Students may not audio-record, video-record or livestream training sessions without prior permission from the Academy. This protects the Academy's intellectual property and the privacy of instructors, students and models.

10. Photography

Students may photograph their own work where permitted.

Photographs containing other students, models, clients, instructors, private information or Academy materials may not be published without appropriate permission.

11. Certificates

Where a certificate is offered, issuance may depend on attendance, completion of required training, practical assessment, payment of all applicable fees and compliance with Academy requirements.

A certificate confirms completion of the Academy's specified training programme. It does not constitute a government-issued professional licence unless expressly stated otherwise.

12. No Guarantee of Commercial Success

The Academy does not guarantee employment, clients, customers, business revenue or any particular financial result after training.

Students remain responsible for their own business activities, pricing, marketing, licensing, taxation and compliance with laws applicable to their own business.

13. Independent Business Activities

Students who subsequently provide nail, lash or beauty services independently are responsible for obtaining any licences, registrations, permits, insurance and other approvals required for their own business.

The Academy does not assume responsibility for the student's independent business activities.

14. Confidentiality

Students must respect confidential information concerning other students, clients, models, Academy operations, business information, personal information and training materials not intended for public distribution.

15. Academy Property

Students are responsible for Academy equipment and materials placed in their care.

Damage caused intentionally or through unreasonable conduct may result in responsibility for reasonable repair or replacement costs, subject to applicable Thai law.

16. Termination of Enrolment

The Academy may terminate or suspend participation where reasonably necessary due to serious misconduct, safety violations, repeated disruption, non-payment, theft or intentional damage, unauthorised recording or distribution of Academy materials, or material breach of these Terms.

Any financial consequences will be handled in accordance with the applicable enrolment terms and Thai law.

17. Limitation of Liability

To the maximum extent permitted by Thai law, the Academy shall not be responsible for indirect or consequential losses arising from participation in a course.

Nothing in these Terms excludes liability that cannot legally be excluded under Thai law.

18. Changes to Courses

The Academy may reasonably update course content, schedules, instructors, teaching methods or materials to maintain or improve educational quality.

Where a change materially affects an already-paid course, the Academy will take reasonable steps to provide an appropriate alternative or remedy where required by applicable law.

19. Governing Law

These Terms are governed by the laws of Thailand.

Any dispute arising from or relating to these Terms shall be subject to the applicable jurisdiction of the competent courts of Thailand.

20. Acceptance

By enrolling in a course, making the required payment or participating in Academy training, the student acknowledges that they have had an opportunity to read these Terms and agrees to comply with them.
