Dhaka, Bangladesh

Professional Summary

Product Designer with hands-on experience designing user-centered SaaS, Shopify, and e-commerce products across web and mobile platforms. Experienced in creating intuitive user flows, wireframes, prototypes, and high-fidelity UI designs focused on usability, conversion, and scalable product experiences. Strong collaboration experience with developers, stakeholders, and product teams to transform business goals into engaging digital solutions. Passionate about product thinking, UX best practices, and crafting modern, visually impactful user experiences.

Experiences

Product Designer — DevsNest OPC

January 2024 – May 2026 | Dhaka, Bangladesh

- Directed design strategy for Shopify upsell apps, boosting merchant engagement and revenue.
- Crafted scalable SaaS dashboards, user journeys, prototypes, and polished UI experiences.
- Led collaboration with developers and stakeholders to create intuitive, conversion-driven solutions.
- Enhanced product usability via iterative feedback and user-centered design methodologies.

UI UX Designer — DevsNest OPC

September 2023 – December 2023 | Dhaka, Bangladesh

- Directed the UI/UX design of e-commerce enhancement tools on Shopify, boosting user interaction and sales.
- Crafted adaptable SaaS interfaces, streamlined user journeys, and detailed prototypes with polished visuals.
- Partnered with engineers and product teams to create user-friendly, conversion-optimized designs.
- Enhanced product experience by applying continuous user feedback and human-centered design methods.

UI/UX Designer — Droitlab

May 2023 – Aug 2023 | Dhaka, Bangladesh

- Designed interfaces for websites and mobile applications with clean and intuitive user experiences.
- Assisted in wireframing, responsive layouts, visual assets, and collaborative design reviews.
