Experience

Product Designer at Yieldstreet

June 2022 - Present | New York City, United States of America

I focused extensively on various areas of the product, particularly the investment flow, portfolio experience, native app, and top-of-the-funnel pages, while collaborating closely with engineers and stakeholders.

UX/UI Designer at 9H Digital

December 2021 - June 2022 | Sliema, Malta

As a UX/UI designer, I collaborated closely with senior and lead UX/UI designers at the agency to design websites and mobile applications for various clients from start to finish.

Junior UX/UI Designer at 9H Digital

November 2020 - November 2021 | Sliema, Malta

After my UX internship at 9H Digital, I was hired as a Junior UX Designer, working on diverse client projects including websites, newsletters, and mobile applications.
