

About Me

I am a communicative, responsible, and well-organized person who can work efficiently both independently and as part of a team. I easily build rapport with people and strive to create a positive atmosphere in interactions with guests. I am characterized by a high level of professionalism and the ability to remain calm under pressure, which allows me to handle challenging situations effectively.

I have strong organizational skills and can manage my time and priorities efficiently. I am a fast learner and eager to gain new experience. I am committed to providing high-quality customer service and contributing to a positive image of the place I work.
